Appearance: None for the Appellants.

**25th November, 2026**
**(Hybrid Mode)**

This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellants e-filed the Memo of Appeal on 20.08.2026. The Office after scrutiny of the Memo of Appeal on 10.09.2026, intimated the defects to the Appellants on the same day. The Appellants re-filed the Appeal on 03.11.2026. It is stated in the IA that the delay of 47 days has been caused in filing the instant Appeal on account of the fact that Supertech Limited, of which the Appellants are the suspended management, is itself undergoing a specialised CIRP under the supervision of this Tribunal as well as the Hon'ble Supreme Court. Accordingly, it took a considerable time to retrieve the documents which were needed for refiling, resulting in the inadvertent delay, so the same may be condoned.

None appeared on behalf of the Appellants. Perused the averments made in the IA as well as Office report.

The Appellants were required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellants re-filed the Memo of Appeal with a delay of 47 days, hence, the case be placed before the Hon'ble Bench with defect for appropriate orders.

List the case before the Hon'ble Bench under the heading 'for admission with defect (fresh case)'.
