Subject: Clarification on Significant Movement in Price of Security

Dear Sir/Madam,

This is with reference to your email dated **23rd November, 2026** regarding the significant movement in the price of the Company's security in the recent past.

In this regard, we would like to submit that the Company has been regularly complying with the requirements of SEBI (LODR) Regulations, 2015, including Regulation 30 thereof. All events, information, and disclosures that may have a bearing on the operations and performance of the Company, including all price-sensitive information, have been duly intimated to the Exchange in a timely manner.

We further confirm that all such information is already available in the public domain and there is no unpublished price-sensitive information or any pending announcement which, in our opinion, may have a bearing on the price movement of the Company's security.

We also wish to highlight that the communication received refers to the "recent past" without specifying the exact period under consideration. Based on our assessment, the movement in the price of the Company's security appears to be purely market-driven and attributable to general market conditions, with no specific event or information attributable to the Company.

The Company reiterates its commitment to transparency and assures that it will continue to promptly inform the Exchange of any material event or information as required under applicable regulations.

We trust that the above clarification adequately addresses your query. Kindly let us know if any further information or clarification is required.

Thanking you,

for Phaarmasia Limited
