- We conducted our review of the Statement in accordance with the standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditors of the Entity", issued by the Institute of Chartered Accountants of India. A review is limited primarily to inquires of company personnel and analytical procedure applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the standard on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be indentified in an audit.
