PRESS RELEASE

Saboo Sodium Chloro Limited's Wholly-Owned Subsidiary Receives Land Conversion Order for Samskara Udaipur Luxury Resort Project; Integrated Development Proposed for up to 300 Rooms

Jaipur, Rajasthan – July 9, 2026 – Saboo Sodium Chloro Limited, through its wholly-owned subsidiary Samskara Resorts Private Limited, is pleased to announce that the **Udaipur Development Authority, Rajasthan**, has issued the land conversion order in respect of the Company's land parcel admeasuring approximately 23,310 square metres, for use as a tourism unit. This marks an important regulatory milestone for the Company's proposed Samskara Udaipur luxury hospitality project. The project is strategically located near Udaipur's Maharana Pratap Airport (UDR) and Taj Lalit Bagh with scenic views of the Aravallis.

The Company proposes to develop the site as a luxury resort project comprising **up to 300 rooms**, as may be permissible under applicable guidelines, development control regulations, building plan approval and other statutory approvals. The proposed development is expected to include restaurants, large-format event and banqueting spaces, wellness and recreation facilities, landscaped areas, back-of-house facilities and other hospitality amenities.

The Company has appointed Maithel & Associates Architects as the project architect for Samskara Udaipur. Maithel & Associates Architects is an established architecture practice, and its appointment is expected to support the Company's objective of developing a high-quality luxury resort product in Udaipur.

Following the receipt of the conversion order, the Company will proceed with the next stage of planning and approvals, including layout/building plan approvals and other customary statutory clearances. Construction and development timelines will be determined after receipt of the required approvals and fulfilment of applicable conditions.

Forward-looking statements: *This release contains statements regarding the Company's proposed project size, development plans, approvals, timelines and future business plans, which are forward-looking in nature. Such statements are based on current assumptions and are subject to applicable laws, regulatory approvals, market conditions, execution risks and other factors beyond the Company's control.
