Limited review report

Review report to:
The Board of Directors
Pulsar International Limited

We have reviewed the accompanying statement of unaudited financial results of Pulsar International Limited (hereinafter referred to as the "Company") for the quarter ended 30th September, 2026 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/CMDl/80/2019 dated 19th July, 2019.

This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Other Matter:

We draw attention to the fact that the Management has initiated legal proceedings against multiple customers for recovery of outstanding balances aggregating to ₹39.37 crore as at September 30, 2026. No provision has been recognised in the books of account in respect of these outstanding balances. The recoverability of these balances is dependent

upon the outcome of the legal proceedings and the Management's subsequent recovery efforts.

In view of the absence of sufficient information and supporting evidence to assess the recoverability of these balances and the appropriateness of non-recognition of a provision, we are unable to determine whether any adjustments or additional disclosures may be required in the accompanying interim financial information in this regard. Our conclusion is not modified in respect of this matter.

Based on our review conducted as above, apart from the aforesaid observations, nothing has come to our attention, apart from the matters reported under Basis for Disclaimer of opinion that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated 19th July, 2019, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We have not reviewed the accompanying comparative financial results and other financial information for the quarter ended 30th September, 2025 which has been presented solely based on the information compiled by the Management and bas been approved by the Board of Directors.
