- Revenue from operations for Q1 FY27 stood at Rs. 716.4 crore, as against Rs. 292.8 crore in Q1 FY26, reflecting a growth of 144.7% YoY. The growth was driven by healthy volume expansion, reinforced by continued customer focus, the rollout of new designs, and outreach to new customers and markets. Volume growth for the quarter stood at 61.6% YoY.
- EBITDA for the quarter grew by 39.0% to Rs. 71.5 crore in Q1 FY27, compared to Rs. 51.4 crore in Q1 FY26. The growth was primarily driven by strong volume growth during the quarter, supported by improved operating income and profitability.
- EBITDA margin for the quarter stood at 9.97%.
- Profit after Tax for Q1 FY27 stood at Rs. 50.5 crore, as against Rs. 34.4 crore in Q1 FY26, registering a YoY growth of 46.9%.

Operational Highlights till date:

- During the quarter, successfully completed capacity expansion project and the commencement of production at new Marol, Andheri manufacturing facility. The newly expanded facility is now fully operational, equipped with state-of-the-art machinery and modern infrastructure. The expansion adds approximately 4,000 kgs per annum to the Company's manufacturing capacity, significantly strengthening its ability to service existing customers and pursue new strategic partnerships across organized jewellery retail in India and international markets.
- The Company has approved a Rights Issue of 46,43,471 fully paid-up Equity Shares of face value ₹10 each at an issue price of Rs. 215 per share, aggregating up to Rs 99.83 crore.

Commenting on this Mr. Pankajkumar Jagawat, Chairman & Managing Director, Shanti Gold International Ltd. said,

"FY27 has started on a strong note, with healthy growth in both revenue and profitability, reflecting sustained demand for our products and continued execution of our growth strategy.

During the quarter, we delivered strong volume growth, supported by our continued focus on expanding our customer base and increasing wallet share among existing customers. Growth was further reinforced by the rollout of new designs and our outreach to new customers and markets, supporting broader market penetration and stronger business momentum.

We also made significant progress on the capacity front with the successful completion and commencement of operations at our new manufacturing facility in Marol, Andheri, Mumbai. With an incremental capacity of approximately 4,000 kg per annum, the facility significantly strengthens our manufacturing capabilities and provides us with greater capacity to service existing customers while pursuing new opportunities across organized jewellery retail in India and international markets.

The quarter also marked an important step towards strengthening our financial flexibility, with the Board approving a Rights Issue of up to Rs. 99.83 crore. The proceeds will further support the Company's growth initiatives and strengthen its ability to capitalize on emerging market opportunities.

Overall, we remain encouraged by the strong start to FY27. With healthy volume growth, an expanded manufacturing footprint and continued traction across our customer base, we are well positioned to capitalize on the ongoing shift towards organized jewellery manufacturing and pursue sustainable long-term growth."
