Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Kesar Petroproducts Limited will commission its new plant for the manufacture of oil drilling chemicals in the first week of December 2026, marking the Company's entry into the oilfield chemicals segment. The Company has also finalised a sole selling arrangement for this product line with a leading United States based company providing major technologies in the oil and gas sector, giving the Company assured offtake and access to international markets.
