Date of sale agreement	23rd November 2026.
Expected Completion	23rd November 2026.
Consideration received or receivable	Rs.1,00,000 in aggregate through banking channels.
Buyers and promoter or group connections	Mr. Chukka Siva Satya Srinivas, who acquired 60,000 equity shares (60%), and Mr. Singhu Chandra Kiran, who acquired 40,000 equity shares (40%). Mr. Chukka Siva Satya Srinivas and Mr. Singhu Chandra Kiran are Indian resident individuals engaged in business. They are not related to the Company, its promoters, directors or group companies, as confirmed for this transaction. Neither belongs to the Company's promoter / promoter group / group companies.
Related party transaction	The sale is not a related-party transaction.
Rationale	Winteg was acquired in connection with the proposed Composite Scheme of Arrangement involving Spacenet, Winteg and Pathfinder. As disclosed to NSE on 30 May 2025, the Scheme was withdrawn following persistent implementation delays arising from regulatory procedural constraints and insufficient progress and engagement by the counterparty entities. With the Scheme withdrawn retaining the subsidiary no longer serves the Company's intended business purpose. The disposal will simplify the group structure and remove an investment that is no longer required for that purpose.
Scheme and Regulation 37A	The proposed disposal is a transfer of identified shares outside a scheme of arrangement. It does not constitute a sale of the Company's whole or substantially the whole undertaking on the stated facts; Regulation 37A is accordingly not applicable. Winteg is not a material subsidiary; approval under Regulation 24(5) is not applicable.
Slump sale	Not applicable.
Effect	The entire transfer and cessation of control, Spacenet's equity holding will be Nil and Winteg will cease to be its subsidiary.
