Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Strategic Expansion of Subsidiary Company, Odyssey Logistics Private Limited, into Defence and Automotive Logistics Segments

Dear Sir / Madam,

Pursuant to Regulation 30 read with Schedule III (Part A, Para B) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we wish to inform you that Odyssey Logistics Private Limited, a material subsidiary of Skyways Air Services Limited ("the Company"), has decided to expand its business into the Defence Logistics and Automotive Logistics business segments.

Key Highlights of the Expansion are:

1. **Strategic Diversification:** Building upon its existing operations in international air and sea freight forwarding and pharmaceutical supply chains, Odyssey Logistics Private Limited is expanding its service portfolio to cater to specialized logistics requirements across the Defence and Automotive sectors.

2. **Scope of Services:** The new verticals will provide end-to-end multimodal supply chain solutions—including specialized cargo handling, time-critical air and ocean freight, customs clearance, warehousing, and domestic distribution—tailored for defence equipment/components and automotive OEMs and ancillaries.

3. **Synergies with Parent Company:** This initiative leverages the global network, airline partnerships, and domestic infrastructure of Skyways Air Services Limited to deliver integrated, compliant, and secure logistics solutions for complex industrial supply chains.

4. **Business Rationale:** The expansion aligns with the Company's long-term strategy to diversify revenue streams, capture domestic manufacturing growth (including Make in India initiatives in defence and automotive manufacturing), and strengthen its presence in specialized industrial logistics.

You are requested to take the above information on record.

Thanking you,

Yours faithfully,

For Skyways Air Services Limited
(Formerly known as Skyways Air Services Private Limited)
