About Sunita Tools Limited

Sunita Tools Limited is a precision engineering and manufacturing company with over 40 years of expertise in delivering world-class solutions to industries ranging from automotive and pharmaceuticals to aerospace and defence. Built on a foundation of technical excellence and innovation, we specialise in mould bases, ground plates, and precision CNC machining components that serve as critical components in modern manufacturing. Today, we are expanding our footprint into high-growth sectors including aerospace and defence, leveraging our technical capabilities and commitment to quality to power India's manufacturing ambitions. With a team of experienced engineers and a state-of-the-art manufacturing facility in Vasai, Mumbai, Sunita Tools remains dedicated to delivering precision, reliability, and customer-centric solutions that drive industry progress.
