**Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Acceptance for onboarding of goldnsilver.shop™ Fine Silver 999 coins on Blinkit**

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform the Exchange that Nihar Info Global Limited ("the Company") has received formal acceptance for onboarding its range of physical Fine Silver 999 coins, marketed under its proprietary brand goldnsilver.shop™, on the Blinkit quick-commerce platform.

The proposed onboarding will add a quick-commerce channel to the Company's distribution network for its branded silver coins. It is expected to improve product visibility and customer access in locations served by Blinkit, subject to product listing and inventory availability.

This development supports the Company's strategy to expand the reach of goldnsilver.shop™ and build a platform for physical precious metals, digital gold and silver, and allied services.

The Company is currently completing the seller onboarding formalities, technical integration and inventory planning. The silver coins will be available for purchase on Blinkit once these steps are completed and the product listings go live.

We request you to take the above intimation on record.

Yours faithfully,
**For Nihar Info Global Limited**
