PRESS RELEASE

Mach Travel Solutions Surpasses 200 Active Corporate Clients; Plans Expansion into Pune, Chennai and Hyderabad

Corporate client base surpasses 200; planned FY27 expansion would extend operational presence to 10 cities.

New Delhi, November 23, 2026: Mach Travel Solutions Limited (BSE: MACHLTD), a publicly listed technology-enabled travel solutions company, announced that it has crossed 200 active transacting corporate clients for its Corporate Ticketing and Self-Booking Tool (SBT) services. It also plans to establish operations in Pune, Chennai and Hyderabad during FY27, extending its operational presence to ten cities upon completion.

Since launching its dedicated Corporate Travel vertical in April 2026, Mach has reached this milestone in approximately eight months, up from 140+ corporate clients reported as of September 30, 2026. This progression demonstrates continued enterprise client acquisition and transaction activity.

Strengthening the Corporate Travel Business

Mach's Corporate Travel offering combines its Self-Booking Tool with dedicated account management, structured booking workflows, approval mechanisms and centralised travel processes, helping businesses manage travel requirements efficiently.

Its active corporate clients span Automotive & Engineering, Cement & Building Materials, Chemicals, Pharmaceuticals, Financial Services, Technology & IT, Electronics, Aviation, Media & Entertainment, Education, Healthcare, FMCG, Infrastructure, Consumer Products, Textiles and Industrials.

Corporate Travel provides opportunities for year-round transactions and long-term enterprise relationships, complementing Mach's established MICE business. The client base also creates potential for cross-selling MICE, hotel, incentive and leisure travel services, subject to individual client needs.

Planned Expansion into Three New Cities

The proposed offices in Pune, Chennai and Hyderabad would strengthen Mach's access to major corporate and industrial markets and help serve existing and prospective enterprise customers.

These locations would complement its seven existing offices in Noida, New Delhi, Kolkata, Mumbai, Bengaluru, Bhubaneswar and Ahmedabad, bringing the total to ten cities if the expansion is completed.
