Dear Sir/Madam,

**Sub.: Disclosure of information under Regulation 30(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**Ref : Putting up 5000 TPA (100%) High Purity Grade Hydrogen Peroxide Plant at Dahej**

We would like to inform you that the Board of Directors of the Company, at its Meeting held on 29<sup>th</sup> May, 2026, has approved putting up 5000 TPA (100%) High Purity Grade Hydrogen Peroxide Plant at Dahej, Gujarat at an estimated investment of Rs. 67 Crores.

This will enable the Company to produce High Purity grade Hydrogen Peroxide for the niche applications in semiconductor fabrication, solar cell manufacturing, and other advanced electronics applications for which manufacturing units are being put-up in India.

The project is planned to go on stream in 18 months from the zero date (i.e. kick-off meeting with Technology Supplier). The high purity Grade Hydrogen Peroxide Plant when implemented would contribute to the annual sales revenue by approx. Rs. 42 crores. The funding for project would be from surplus internal operations and need based gap, if any, would be met from borrowings.

We request you to kindly take the above on record.

Thanking you,

Yours faithfully,  
For GUJARAT ALKALIES AND CHEMICALS LIMITED

*(S S BHATT) 29/5/2026*  
COMPANY SECRETARY &  
EXECUTIVE DIRECTOR (LEGAL, CC & CSR)
