Press Release

Euphoria Infotech (India) Limited bagged order from Webel Technology Limited worth gross value of Rs. 402.65 lakhs

Kolkata, September 23, 2026

Euphoria Infotech India Limited (BSE: EUPHORIAIT): We are pleased to announce that the Company has received a work order from Webel Technology Limited, a Government of West Bengal Undertaking, for providing an Online Admission Portal relating to Undergraduate (UG) Courses under the Department of Higher Education, Government of West Bengal, for the Academic Session 2026–27. The work order has a gross order value of ₹402.65 lakhs. The work is scheduled to be completed over a period of seven months.

The order further strengthens the Company's presence in providing technology-enabled solutions and digital platforms for government and institutional requirements. The Company remains focused on leveraging its capabilities in software development and information technology to deliver customized solutions to its clients.

Disclaimer

This press release includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. Such factors include, but are not limited to, changes in local and global economic conditions, our ability to successfully implement our strategy, the market acceptance of and demand for our products, our growth and expansion, technological change and our exposure to market risks. By their nature, these expectations and projections are only estimates and could be materially different from actual results in the future.
