Limited Review Report for Centuple Global Limited other than banks and insurance companies - unaudited standalone Financial Results quarterly ended June 30, 2026

To the Board of Directors of Centuple Global Limited (Formerly known as Checkpoint Trends Limited)

1. We have reviewed the accompanying statement of unaudited financial results of Centuple Global Limited for the period ended June 30, 2026. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. **Emphasis of Matter**

   We draw attention to **Note 8** to the Statement of Unaudited Financial Results, which describes the subdued trading activity in the Company's edible oil trading business during the quarter ended June 30, 2026. As stated in the said Note, the Company did not undertake any trading activities during the quarter, primarily considering the prevailing conditions in the domestic and international edible oil markets and the commercial viability of transactions. The Company has adopted a cautious approach towards trading activities and continues to monitor market developments and evaluate commercially viable trading opportunities.

   Our conclusion is not modified in respect of this matter.
