Subject: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Partnership agreement with IBM

Dear Sir/Madam,

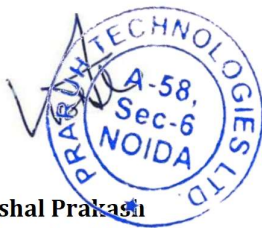

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Praruh Technologies Limited has entered into partnership with IBM.

IBM (International Business Machines Corporation) is one of the world's oldest and most established technology companies. It traces its roots to 1911 in the United States, when several businesses were combined to form the Computing-Tabulating-Recording Company (CTR); the company adopted the name IBM in 1924. Over its history, IBM played a major role in the development of enterprise computing, including mainframe systems, data processing, storage, and business software. It later expanded heavily into IT services and consulting. IBM primarily focuses on Hybrid cloud, Artificial Intelligence, Automation, Cybersecurity, Enterprise Infrastructure, Software, and Consulting. IBM consulting business works with organizations worldwide to modernize applications and infrastructure, migrate to cloud environments, improve security, automate operations, and implement AI-driven solutions. IBM is also known for technologies and platforms such as IBM Z mainframes, Red Hat, and watsonx AI.

The arrangement is entered into in the ordinary course of business and on an arm's length basis. There is no promoter/promoter group interest in IBM in relation to this arrangement.

Kindly take the above information on record.

For Praruh Technologies Limited
