32. Risk management policy

In today's economic environment, risk management is a very important part of business. The main aim of risk management is to identify, monitor and take precautionary measures in respect of the events that may pose risks for the business. Your Company's risk management is embedded in the business processes. Your company has identified the following risks:

Key Risk	Impact to Axtel Industries Ltd	Mitigation Plans
Commodity Price Risk	Risk of price fluctuation on basic raw materials like steel, components, power as well as finished goods used in the process of manufacturing.	The Company commands excellent business relationship with the buyers. In case of major fluctuation either upwards or downwards, the matter will be mutually discussed and compensated both ways. Also by focusing on new value added products helps in lowering the impact of price fluctuation in finished goods.
Uncertain global economic environment - slow growth in global economy	Impact on demand and realization of exports of food processing plant and machinery.	The people do not compromise on food and it will not affect much.
Interest Rate Risk	Any increase in interest rate can affect the finance cost.	Dependence on debt is very minimum and Company has enough funds to meet the need arises.
Foreign Exchange Risk	Any volatility in the currency market can impact the overall profitability.	The Company has potentiality in domestic market. In case of major fluctuation either upwards or downwards, the effect will be minimal.
Human Resources Risk	Your Company's ability to deliver value is dependent on its ability to attract, retain and nurture talent. Attrition and non-availability of the required talent resource can affect the overall performance of the Company	By continuously benchmarking of the best HR practices and carrying out necessary improvements to attract and retain the best talent. Company does not anticipate any major issue for the coming years.
Competition Risk	Every company is always exposed to competition risk. The increase in competition can create pressure on margins, market share etc.	By continuous efforts to enhance the brand image of the Company by focusing on quality, cost, timely delivery and customer service. By introducing new product range commensurate with demands, your company plans to mitigate the risks so involved.
Compliance Risk - Increasing regulatory Requirements.	Any default can attract penal provisions.	By regularly monitoring and review of changes in regulatory framework.
Industrial Safety, Employee Health and Safety Risk.	The engineering industry is exposed to accidents and injury risk due to human negligence.	By development and implementation of critical safety standards across the various departments of the factory, establishing training need identification at each level of employee.

33. Directors' Responsibility Statement

Your Directors' state that-

- a. In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b. the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- c. the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This section shall include discussion on the following matters within the limits set by the listed entity's competitive position:

a) Industry Structure and Developments:

Axtel Industries Ltd. is engaged in manufacturing custom-designed food processing plants and machinery, tailored to the specific requirements of its clients. The company is a leading supplier of high-quality process engineering equipment and turnkey systems to the food and related industries, delivering solutions that meet the highest standards of quality, design and performance.

Axtel manufactures a wide range of process plants and equipment, supporting diverse applications across the industry. The company's growth is closely linked with the steady expansion of the food processing sector. A brief profile and outlook of this industry is given below.

• **Indian Food and Food Processing Industry**

India's food and food processing industry continues to register steady growth, driven by rising incomes, changing lifestyles, and a growing preference for packaged and processed foods. With one of the world's largest populations and a young demographic profile, India offers strong domestic demand and ample opportunities for value addition in food processing.

Multinational corporations and large Indian companies are expanding their operations and investments in this sector, encouraged by supportive government policies and increasing consumer awareness of quality and hygiene standards. Modernisation of processing facilities and the adoption of advanced machinery are key focus areas for both established players and new entrants.

India is also strengthening its position as a major exporter of processed foods, particularly in segments like spices, ready-to-eat products, and health foods. This rising export demand further fuels the need for reliable, high-quality process equipment.

The combination of population advantage, higher disposable incomes, export opportunities and the growing presence of organised players ensures a positive outlook for the industry and sustained demand for modern food processing solutions.

• **Global Food and Food Processing Industry**

Globally, the food and food processing industry is witnessing steady growth, supported by rising population, changing consumption patterns, and increased focus on food safety and quality. The demand for modern, efficient and hygienic food processing equipment is on the rise as producers strive to meet evolving consumer expectations and stringent regulatory standards.

Current geo-political dynamics are also creating opportunities for India. Ongoing global uncertainties and shifting relations between major economies like the USA, Russia and China are prompting companies to diversify supply chains and explore alternative sourcing bases. India, with its skilled workforce, cost advantages and established engineering capabilities, stands to benefit as multinational companies seek reliable partners outside Europe and the USA to optimise costs and capital investments while staying competitive.

Axtel is well positioned to support global food companies and large local players as they expand capacity, upgrade technology and shift sourcing to trusted partners in Asia. The company remains committed to delivering world-class process solutions that help its clients maintain efficiency, quality and competitiveness in a dynamic global market.

• **Developments:**

- ❖ Create new markets quickly through products based on technology
- ❖ Enhance growth by reaching new customers, deepening the customer experience and allowing them to dynamically manage pricing
- ❖ Increase profitability by altering operating cost structures through greater process automation
- ❖ Adopt business models that increase asset efficiency and long-term competitiveness

b) Opportunities and Threats:

- ❖ **Opportunities:** New elements involving new ways with understanding clients and exploring new markets and business models shall open new opportunities for us to build strategic relationship with clients. Our reliability and efficiency of the equipment and effective service are key factors for success in this highly competitive industry.
- ❖ **Threats:** The Company has developed and implemented a risk management framework that includes identification of elements of risk, if any, which in the opinion of the Board may threaten the existence of the company and by adopting various factors such as risk identification, impact assessment, risk evaluation, risk reporting, risk disclosures, risk mitigation and reporting.

c) Segment-wise or product-wise performance:

The Company has only one segment of manufacturing food processing instruments / equipments.

d) Outlook:

- ❖ The outlook for business is positive as the company continue to remain focused on risk management and mitigation.
- ❖ Total turnover during the year 2025-26 was Rs. 22,376.69 lakhs compared to Rs. 17,855.87 lakhs of previous year 2024-25 which shows increase of Rs. 4,520.82 lakhs (25.32%). There is profit of Rs. 3,115.95 lakhs (after tax) during the year 2025-26 compared to profit of Rs. 1802.52 lakhs (after tax) during the year 2024-25.

e) Risks and concerns:

- ❖ Commodity Price Risk: Risk of price fluctuation on basic raw materials like steel, components, power as well as finished goods used in the process of manufacturing.
- ❖ Uncertain global economic environment – slow growth in global economy: Impact on demand and realization of exports of food processing plant and machinery.
- ❖ Interest Rate Risk: Any increase in interest rate can affect the finance cost
- ❖ Foreign Exchange Risk: Any volatility in the currency market can impact the overall profitability
- ❖ Human Resources Risk: Your Company’s ability to deliver value is dependent on its ability to attract, retain and nurture talent. Attrition and non-availability of the required talent resource can affect the overall performance of the Company
- ❖ Competition Risk: Every company is always exposed to competition risk from European Countries. The increase in competition can create pressure on margins, market share etc
- ❖ Compliance Risk: Increasing regulatory Requirements: Any default can attract penal provisions
- ❖ Industrial Safety, Employee Health and Safety Risk: The engineering industry is exposed to accidents and injury risk due to human negligence.

f) Internal Control Systems and their adequacy:

The Company has strengthened its internal control and audit aspects by appointing outside agency for internal audit of certain important aspects of operations, apart from usual transactional verifications. There are adequate checks and controls to ensure compliance of various statutes.

g) Discussion on Financial performance with respect to operational performance:

Total turnover during the year 2025-26 was Rs. 22,376.69 lakhs compared to Rs. 17,855.87 lakhs of previous year 2024-25 which shows increase of Rs. 4,520.82 lakhs (25.32%). There is profit of Rs. 3,115.95 lakhs (after tax) during the year 2025-26 compared to profit of Rs. 1802.52 lakhs (after tax) during the year 2024-25.

h) Material developments in Human Resources / Industrial Relations front, including number of people employed:

The Company considers its employees as its valuable assets. The Company focuses on building an organization through induction and development of talent to meet current and future needs. Various HR initiatives have been taken to align HR policies of the Company with the growth projections of the company.

During the year under review, the Company continued to have cordial and harmonious relations with its employees and total number of employees on payroll are 228.

INDEPENDENT AUDITOR’S REPORT

To the members of
AXTEL INDUSTRIES LIMITED

Report on the Financial Statements

Opinion:

We have audited the accompanying Financial Statements of Axtel Industries Limited ("the Company") which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, Statement of Cash Flows for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matters	How our Audit addressed the Key audit Matter

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the other information. The other information comprises the information included in the Management Discussions and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Board of Directors of the Company is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also include maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and quantitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE A” TO THE INDEPENDENT AUDITORS’ REPORT

Annexure Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended March 31, 2026.

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and records examined by us in the normal course of audit, we state that:

- 1) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and Equipment and relevant details of right-of-use of assets and also that of the intangible assets.
 - (b) The Property Plant and Equipment have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the property plant and equipment has been physically verified by the management during the year and no material discrepancies between the books records and the physical property plant and equipment have been noticed.
 - (c) The title deeds of immovable properties are held in the name of the company.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
 - (e) There are no proceedings that have been initiated or are pending against the company for holding any Benami property under the "Benami Transactions (Prohibition) Act, 1988 and Rules made thereunder.
- 2)
 - (a) The management has conducted the physical verification of inventory at reasonable intervals and also the coverage and the procedure of such verification by the management is appropriate. The discrepancies noticed on physical verification of the inventory as compared to books records were not significant and have been properly dealt with in the books of account.
 - (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, from banks on the basis of security of current assets and other properties of the Company. As explained to us the Company submits quarterly certified Stock and Book-Debt statements to the bank which we found to be in agreement with the Books of account of the Company. The Company or the management does not file any other quarterly returns with the Bank.
- 3)
 - (a) The company has not made investments in, or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties, however the company has given guarantee for the business which is not prejudicial to the company's interest.
 - (b) Loans and advances are not in nature of loans and hence the schedule of repayment of principal and payment of interest has not been stipulated and hence there is no amount overdue for more than ninety days.
 - (c) There are no loans or advances in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - (d) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- 4) In our opinion and according to the information and explanations given to us, the provisions of section 185 and 186 of the Companies Act, 2013 are not applicable to the company as there are no transactions entered by the company in respect of loans, investments, guarantees, and security to which the provisions of section 185 and 186 of the Companies Act, 2013 apply.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) As per information and explanation given by the management, maintenance of cost records has been prescribed by the Central Government under- sub-section (1) of Section 148 of the Act, and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records.
- 7)
 - (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Income-Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Cess and any other statutory dues with the appropriate authorities and that no undisputed amounts payable in respect of the above were in arrears as at March 31, 2026 for a period of more than six months from the date on when they become payable. As informed to us the provisions relating to Employee State Insurance are not applicable to the Company.
 - (b) According to the information and explanation given to us, there are no dues of income tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Cess, Service Tax, value added tax outstanding on account of any dispute except for the Fringe Benefit Taxes. According to the information and explanations given to us and the records of the company examined by us, the particulars of dues of Fringe Benefit Tax as at 31st March 2026 which have been deposited under protest as it is disputed, details of which is as follows:

Name of Statute	Name of Dues	Amount (Rs)	Period to which amount relates	Forum where dispute is pending

Goods and Service Tax Act, 2017	GST and Penalty Due	13,87,066/-	P.Y. 20-21 A.Y. 21-22	Assistant Commissioner, State Tax Office, Gwalior

- 8) In our opinion and according to the information and explanations given to us, there are no transactions relating to previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- 9) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.
- (b) In our opinion and according to the information and explanations given to us, the company is not declared as wilful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, term loans were applied for the purpose for which the loans were obtained.
- (d) In our opinion and according to the information and explanations given to us, funds raised on short term basis have not been utilised for long term purposes.
- (e) In our opinion and according to the information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures, as the company is not having any subsidiaries, associates or joint ventures.
- (f) In our opinion and according to the information and explanations given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, as the company is not having any subsidiaries, associates or joint ventures hence reporting on clause 3(ix)(f) of the Order is not applicable and hence not commented upon.
- 10) (a) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (x)(a) of the Order are not applicable to the Company and hence not commented upon.
- (b) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (x) (b) of the Order are not applicable and hence not commented upon.
- 11) (a) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company has been noticed or reported during the year.
- (b) Based upon the audit procedures performed and the information and explanations given by the management, no report under sub-Section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government.
- (c) There are no reports of whistle blower which requires attention of auditors hence not considered in this report. Accordingly, the provisions of clause 3 (xi) (c) of the Order are not applicable and hence not commented upon.
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the reporting provisions of clause 3 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards.
- 14) (a) The company has an internal audit system commensurate with the size and nature of its business and reputed firm of Chartered Accountants have undertaken Internal Audit and furnished their report
- (b) The reports of the Internal Auditors for the period under audit were considered by the statutory auditor while conducting audit procedure.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.
- 17) The Company has not incurred any cash losses in the Financial Year and in the immediately preceding financial year therefore provisions of clause 3 (xvii) of the Order are not applicable to the Company.
- 18) There has been no resignation of the statutory auditors during the year.

- 19) In our opinion, on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and as per the auditor's knowledge of the Board of Directors and management plans, we are having the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- 20) (a) The Company has no Ongoing CSR Project within the meaning of section 135 and that the Company has spent full amount on CSR due as calculated under section 135 during the last financial year therefore the provisions of clause 3 (xx) of the Order are not applicable to the Company.

**"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE
FINANCIAL STATEMENTS OF AXTEL INDUSTRIES LIMITED FOR YEAR ENDED 31ST MARCH, 2026**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Axtel Industries Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal control over financial reporting established by the Company considering the essential Components of Internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

Note no. 30(A) forming part of the Financial Statements**CORPORATE INFORMATION**

Axtel Industries Limited was incorporated in 1991 as public limited Company and presently has registered office at P.O. Nurpura, Vadodara - Halol Highway, Tal: Halol Dist.: Vadodara. The Equity Shares of the Company are listed on BSE Ltd. (BSE).

The Company is principally engaged in business of manufacturing of process engineering equipment for food processing Industries.

(I) SIGNIFICANT ACCOUNTING POLICIES**A Basis of preparation****(i) Statement of Compliance**

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereto issued by Ministry of Corporate Affairs under section 133 of the Companies Act, 2013. In addition, the guidance notes / announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

(ii) Basis of Accounting & Measurement

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS:

- 1) Certain financial assets and liabilities that are measured at fair value;
- 2) Assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) Defined benefit plans - plan assets measured at fair value;

(iii) Operating Cycle for Current non-current classification

Operating cycle for the business activities of the company covers the duration of the specific project / contract / service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees in Lakhs as per the requirement of Schedule III, unless otherwise stated.

B. Key source of estimation

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements.

The estimates and underlying assumptions made by management are explained under respective policies. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, allowance for expected credit loss, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, provision for rectification costs, fair value measurement, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

C. Property, plant and equipment (PPE)

The Company has applied for the one-time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence, regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of PPE are recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

PPE is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognised in the Statement of Profit and Loss in the same period.

All other items of repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress".

Depreciation:

Depreciation is provided on Property, Plant and Equipment using the Written Down Value (WDV) method at the rates prescribed in Schedule II to the Companies Act, 2013.

No depreciation is provided on freehold land and capital work-in-progress.

Intangible Assets:

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. All directly attributable costs and other administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "intangible assets under development".

Intangible assets are amortised using Written down value method at the rates prescribed in Schedule II to the Companies Act, 2013.

Asset Impairment:

As at the end of each financial year, the carrying amounts of PPE and intangible assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, PPE and intangible assets are tested for impairment so as to determine the impairment loss, if any.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount, in respect of an individual asset, is determined, as the higher of the fair value less costs of disposal and the value-in-use.

If recoverable amount of an asset is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset is reduced to its recoverable amount.

D. Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- 1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- 2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit & Loss are expensed in the Statement of Profit and Loss.

E Valuation of Inventories

Inventories are valued as under:

1	Raw Material, Components, tools, packing material, Stores & Spares	At cost of Material
2	Manufacturing Work-in-progress and finished goods	At cost of Material, plus appropriate manufacturing overhead

The cost of the Manufacturing Work-in-progress and finished goods Inventories has been computed to include all costs of purchase, cost of conversion and other related costs incurred in bringing the inventories to their respective present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

F. Revenue recognition

The Company derives revenue primarily from sale of Machinery i.e. manufactured goods and the related services.

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts, loyalty discount, value added taxes/Goods and Service Tax (GST). Since, the GST is collected by the seller on behalf of the Government, accordingly it is excluded from revenue.

The Company recognizes revenue when the amount of revenue can be reliably measured upon performance of obligation(s), it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Revenue from Sales is recognized when substantial risk and rewards of ownership are transferred to customer. In case of domestic customer, generally sales take place when goods are dispatched or delivery is handed over to transporter. And in case of export customers, generally sales take place when goods are shipped on-board based on bill of lading.

The Performance Obligation in our contract are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms

Sales Return

The Company recognizes provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

Revenue from services

Revenue from rendering of services is recognised over time as the customer receives the benefit of the Company's performance and the Company has an enforceable right to payment for services transferred.

Other operating revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the performance obligation is satisfied and right to receive the income is established as per the terms of the contract.

Government grant receivable in the form of duty credit scrips is recognised as other income in the Statement of Profit and Loss in the period in which the export is done or the application is made to the government authorities and to the extent there is no uncertainty towards its receipt. However, export incentive accruing under MEIS/RODTEP Scheme are accounted when licenses are generated or sold.

G. Foreign Exchange Transaction:

- i) The functional currency and presentation currency of the Company is Indian Rupee.
- ii) Transactions in currencies other than the Company's functional currency are recorded on initial recognition using actual exchange rate or a rate that approximates with it at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the closing spot rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not translated.
Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.
- iii) exchange rate as of the date on which the non-monetary asset or non-monetary liability is recognised on payment or receipt of advance consideration is used for initial recognition of related asset, expense or income

H. Cash & Bank Balances

Cash and bank balances include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation.

Short-term and liquid investments, being subject to more than insignificant risk of change in value, are not included as part of Cash and cash equivalents.

I. Borrowing Costs:

The borrowings are initially recognized at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised/inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

J. Taxes on Income :

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act,1961 and using estimates and judgments based on the expected outcome of assessments/appeals and the relevant rulings in the areas of allow-ances and disallowances.

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates as per laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax liabilities are generally recognised for all taxable temporary differences except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

K. Provision, Contingent Liabilities and Contingent Assets:

A Provision is recognized only when:

- I. The company has a present obligation as a result of past event and
- II. it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and
- III. in respect of which a reliable estimate can be made of the amount of the obligation.

Provisions are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent Liabilities is disclosed in the notes in case of:

- I. a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- II. a present obligation arising from past events where:
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - the amount of the obligation cannot be measured with sufficient reliability.

Contingent Assets are neither recognized nor disclosed in the financial statements.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

L. Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- I. estimated amount of contract remaining to be executed on capital account and not provided for, and
- II. other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

M. Derivatives:

The Company uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates. The use of these foreign exchange forward contracts reduces the risk or cost to the Company and the Company does not use the foreign exchange forward contracts for trading or speculation purposes.

The Company recognised the gain or loss on effective hedges in the Statement of Profit and Loss of that period when they arise.

N. Employee Benefits

Employee benefits such as salaries, wages, short-term compensated absences, cost of bonus, ex-gratia and performance linked rewards falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the service.

I. Defined contribution plans:

Retirement benefit in the form of provident fund and pension fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund and pension fund maintained by Government's Employee Provident Fund Organisation.

The Company recognizes contribution payable to the provident fund and pension fund scheme as an expense, when an employee renders the related service.

If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

II. Defined Benefit plans:

Gratuity and Leave Encashment which are defined benefits are accrued based on actuarial valuation as at the Balance Sheet date. The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets of gratuity (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

O. Leases:

The company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset in return for payment. Ind AS 116 "Leases" is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on Balance Sheet model similar to the accounting for finance lease under Ind AS-17.

The standard includes two recognition exemptions for lessees- leases of "low - value" assets and short-term leases (i.e. for 12 months or less term). At commencement date of Lease, a lessee will recognise a liability to make lease payments (i.e. the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e. the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use as-set.

There are no identifiable material leases to be reported and there will be no significant impact on financial statement in respect of Leases

P. Earnings Per Share (EPS)

Basic earnings per share: Basic earnings per share is computed by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per Share: Diluted earnings per share is computed after adjusting the figures used in the determination of basic earnings per share to take into account:

- the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Q. Other information:

- I. The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries
- II. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall
 - a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries), or
 - b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

R. Previous year figures have been re-grouped/reclassified, wherever necessary to confirm with Current year's grouping/ classification.

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared with the previous period.

30(B) OTHER NOTES ON ACCOUNTS

(1) FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instrument by valuation technique.

Level 1 : Quoted (unadjusted) price in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

(2) Financial risk management objectives and policies

In the course of business, the company is exposed to certain financial risk that could have considerable influence on the Company's business and its performance. These include market risk (including currency risk, interest risk and other price risk), credit risk and liquidity risk. The Board of Directors review and approves risk management structure and policies for managing risks and monitors suitable mitigating actions taken by the management to minimise potential adverse effects and achieve greater predictability to earnings.

In line with the overall risk management framework and policies, the treasury function provides service to the business, monitors and manages through an analysis of the exposures by degree and magnitude of risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The company uses derivative financial instruments, if required, to hedge risk exposures in accordance with the Company's policies as approved by the board of directors.

a) Market Risk - Interest rate risk:

Interest rate risk is risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The Sensitivity analysis below has been determined based on the exposures to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability as at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents Management's assessment of the reasonably possible changes in interest rates.

Note :

The Company does not have any long-term Borrowings hence the above figures are NIL

b) Market Risk- Foreign currency risk.

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to its operating activities. The Company manages its foreign Currency risk, if required, by hedging transaction that are expected to occur within a maximum 12 month periods for hedge of forecasted sales and purchases in foreign currency.

The hedging is done, if required, through foreign currency forward contracts. In past year, the company has not much imports, but has exports which are more, hence foreign exchange exposure for exports proceeds due cover the liability of import dues, thus hedging was not required to cover foreign exchange exposure of the Company.

c) Equity Price Risk

Equity price risk is related to the change in market reference price of the investments in quoted equity securities. The fair value of some of the Company's investments exposes the company to equity price risks. At the reporting date, the company do not hold any equity securities. Investment in Mutual Funds are taken at fair value

d) Credit Risk

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on customer profiling, credit worthiness and market intelligence. Trade receivables consist of a large number of customers, spread across geographical areas. Outstanding customer receivables are regularly monitored.

The average credit period is in the range of 01 -90 days. However in select cases credit is extended which is backed by security deposit/bank guarantee/letter of credit and other forms. The Company's Trade receivables consist of a large number of customers, across geographies hence the Company is not exposed to concentration risk.

The Company has provided for expected credit loss as per predetermined percentage of outstanding more than the credit period based on historical credit loss experience, industry practices and the business environment in which the entity operates and adjusted to forward looking information. Further, the debts are examined and assessed party wise individually by respective department head and top management, for doubtful recovery, if any. As a final result of the above exercise the expected credit loss is determined that allowance as required for Credit Loss is being provided.

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

e) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company has obtained fund and non-fund based working capital limits from bank. Furthermore, the Company access to funds from debt markets and also short-term working capital loans.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

AXTEL INDUSTRIES LIMITED
CORPORATE SOCIAL RESPONSIBILITY REPORT
FINANCIAL YEAR 2025-26

Message from the Executive Director

At Axtel Industries Limited, we believe that responsible business extends beyond operational excellence and financial performance. Our commitment to Corporate Social Responsibility reflects our belief that sustainable growth is achieved by creating value for society and improving the quality of life of the communities around us.

During FY 2025-26, our CSR initiatives continued to focus on skill development, education, healthcare, community welfare and inclusive development. Through direct implementation and partnerships with credible implementing agencies, we supported initiatives that empower youth, strengthen educational opportunities, promote preventive healthcare and improve the well-being of vulnerable communities.

Our flagship Skill Development Initiative with K.J. Institute of Engineering & Technology continued to equip students with practical industrial exposure through advanced training infrastructure and industry interaction. Alongside this, we supported organizations working in special education, women empowerment, nutrition and animal welfare, ensuring that our CSR efforts reached diverse sections of society.

We thank our implementing partners, employees and stakeholders for their continued support. Together, we remain committed to creating sustainable and meaningful social impact.

Ajay Parikh
 Executive Director
