Secure order from ShivGanga Drillers Limited

New Delhi, Friday, June 05, 2026, United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT), a leading manufacturer and one of India's prominent suppliers of specialized, high-technology equipment for the oil and gas sector, is pleased to announce that it has secured a new order from **Shivganga Drillers Limited**, a private sector company operating in the oil and gas industry.

The order, valued at **INR 16.61 lakh**, is for the supply of different types of **Stabilizers**, which are critical drilling components used to maintain wellbore stability and improve drilling efficiency in oil and gas exploration and production activities.

This is the **first order received from Shivganga Drillers Limited for these type of Stabilizer(s)** and is intended to evaluate the performance and quality of UDTL's Stabilizers under field operating conditions. The Company views this order as an important opportunity to demonstrate the reliability, engineering excellence, and performance capabilities of its products.

UDTL has already **supplied and dispatched similar Stabilizers to various private sector customers as well as Government Public Sector Undertakings (PSUs)**, where the products have demonstrated outstanding performance and reliability under demanding operational conditions. These products have been developed through a stringent engineering, manufacturing, and quality assurance process to meet the demanding requirements of the oil and gas industry.

The order is **expected to be executed within 1-2 months**, in accordance with ShivGanga's specifications and stringent quality standards.

Commenting on the order awarded, Shri Govind Sharma, GM-Global Sales and Marketing said that "We are pleased to receive this order from Shivganga Drillers Limited. While the order represents an initial engagement for product performance evaluation, we are confident that our stabilizers will meet the customer's expectations. Our products are designed and manufactured through rigorous engineering standards and quality control procedures. The successful supply of similar products to other private sector companies and government PSUs reinforces our confidence in the quality and performance of our stabilizers."

UDTL remains focused on delivering excellence through engineering innovation, robust manufacturing processes, and timely execution. The company continues to expand its footprint across domestic and international markets.

About UDTL

Striding successfully since 1985, based out of Noida, Uttar Pradesh, India, UDTL is a *leading Manufacturer of large OD casing pipe with muti start high performance*

connector, Wireline & well service equipment, Gas lift equipment and Downhole Tools. All the equipments can be supplied with most reliable designs and quality and are very competitively priced as compared to other suppliers.

UDTL is dedicated to manufacture high-quality products of field-proven test designs in conformity with international standards as per **ISO & API standards** and continues to improve and innovate.

As of today UDTL has **32 registered Trademarks**, out of which 24 are registered in India & rest 08 are registered in other Countries.

Also, as regards Patents, there are **14 Design Patents** registered, out of which 09 are registered in India, while rest 05 are registered in UK. We have applied Patents in India & other countries wherein **08 Patents** received in **India**.
