Commenting on the Results Mr. Parag Chheda, Joint Managing Director of Prince Pipes and Fittings Ltd. said, -

"The quarter was marked by a challenging operating environment, with fluctuations in raw material costs, changing demand patterns across key end-use sectors, and slower infrastructure-led activity impacting the industry. Against this backdrop, we remained focused on disciplined execution, prudent cost management, and strengthening our market presence.

During the quarter, we intensified our brand-building initiatives through impactful campaigns across high-traffic public platforms, including buses, trains, and other prominent locations, to enhance consumer engagement, improve brand visibility, and reinforce us as a trusted provider of quality piping solutions.

Looking ahead, we remain confident in the long-term growth prospects of the business. Our continued investments in manufacturing capacity, product innovation, and operational capabilities, coupled with an expanding distribution network and a stronger product portfolio, provide a solid foundation for future growth. We will continue to focus on enhancing customer value, improving operational efficiencies, and capitalizing on emerging market opportunities while creating sustainable long-term value for our stakeholders."

About Prince Pipes and Fittings Ltd.

Prince Pipes and Fittings Limited (PPFL) (NSE: PRINCEPIPE I BSE: 542907) is one of India's largest integrated piping solutions providers, based in Mumbai, Maharashtra.
