Announcement:

CSML Strengthens Its FEC Portfolio with Two New Project Wins Worth ₹14 Crore

Complete Sports and Management India Limited (CSML) continues to strengthen its presence in India's leisure and entertainment industry with two new project developments valued at approximately ₹14 crore, spanning Nagpur, Maharashtra and South India.

The Company has signed a Memorandum of Understanding (MoU) for an indoor amusement centre project worth approximately ₹9 crore in Nagpur, Maharashtra, and has secured a separate Family Entertainment Centre (FEC) contract worth approximately ₹5 crore with a leading FEC operator in South India.

Two New Project Developments

1. Indoor Amusement Centre Project – Nagpur, Maharashtra | ₹9 Crore

CSML has signed an MoU for the development of an indoor amusement centre in Nagpur, Maharashtra, with an estimated project value of approximately ₹9 crore. The project represents another step in the Company's efforts to expand its presence in the indoor amusement and entertainment segment.

2. Family Entertainment Centre Contract – South India | ₹5 Crore

In a separate development, CSML has secured an FEC contract worth approximately ₹5 crore with one of the largest FEC operator in South India for an indoor amusement centre project. The contract further strengthens the Company's presence in the amusement and leisure industry, particularly in the indoor family entertainment centre (FEC) segment.

As real estate developers increasingly explore experiential leisure and entertainment formats to complement their developments, Family Entertainment Centres offer opportunities to create engaging destinations for families and visitors. CSML's project portfolio spans the broader amusement and leisure ecosystem, including indoor amusement attractions and entertainment formats.

With these latest developments, CSML continues to pursue opportunities to expand its project footprint and strengthen its position in India's organized amusement and entertainment industry.
