New Delhi, August 07, 2026: JK Tyre & Industries Limited, one of India's leading tyre manufacturers, today announced its unaudited standalone & consolidated financial results for the 1st quarter of FY27 ended as on 30th June 2026, delivering a resilient topline performance.

Commenting on the results, **Dr. Raghupati Singhania, Chairman & Managing Director (CMD)**, said: "*JK Tyre continued its steady performance in Q1FY27 with a consolidated turnover of Rs.3,956 Crore, supported by strong demand momentum across segments. The performance is driven by sharp focus on customer centricity, product excellence and disciplined execution across markets.*

During the quarter domestic volumes grew by 25% on year-on-year basis, across both replacement (12%) and OE markets (42%), with increasing contribution from higher-value added products.

The continuing west Asis crisis led to a sharp increase in raw material prices which impacted our gross and operating margins. As is known approximately 70% of the tyre industry raw materials are petro based, hence, it is highly vulnerable to oil price movement".

Consolidated EBITDA for Q1 was Rs.268 crore.

Dr. Singhania further added: *"With a sharper focus on operating leverage, cost reductions, and increasing share of premium products, JK Tyre remains confident to improve performance in FY27 with double-digit revenue growth, aiming to create enduring value for all stakeholders with an increased profitability through strategic expansions".*
