Sub: Execution of Power Purchase Agreement (PPA) with SJVN Limited for 300 MW ISTS-Connected Wind Power Project

Dear Sir/Madam,

Pursuant to Regulation 30 read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we are pleased to inform you that KPI Green Energy Limited ("Company") has successfully executed a **Power Purchase Agreement (PPA) with SJVN Limited** for a **300 MW Inter-State Transmission System (ISTS)-connected Wind Power Project**.

The project, secured through a **competitive bidding process, will operate under a long-term PPA at a fixed tariff of ₹3.64 per unit for 25 years**, with power supply to commence within 24 months from the effective date of the PPA.

This PPA marks a significant milestone in the Company's wind energy journey. The long-term fixed tariff provides **predictable and stable cash flows**, while the project meaningfully strengthens the Company's utility-scale wind portfolio and adds strong momentum to the Group's **KP 3.0** roadmap, under which the Company is set to build **10 GW of owned IPP capacity by FY32**.

The details as required under Regulation 30 of the SEBI Listing Regulations read with SEBI Master Circular dated January 30, 2026, are enclosed herewith as **Annexure-A**.

This is for your information and records.

Thanking you,

Yours Faithfully,
For KPI Green Energy Limited
