LIMITED REVIEW REPORT

To,
the Board of Directors,
CREATIVE CASTINGS LIMITED,
102-GIDC II, Dolatpara,
Junagadh.

1. We have reviewed the accompanying statement of unaudited financial results of **CREATIVE CASTINGS LIMITED**, 102 GIDC-II, Dolatpara, Junagadh, 362003 for the period ended on 30 June, 2026. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410- "***Review of Interim Financial Information Performed by the Independent Auditor of the Entity***", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Our conclusion is not modified in respect of this matter.

Notes:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their meeting held on August 1, 2026. The Statutory Auditors of the Company have carried out a limited review of the results for the quarter ended on June 30, 2026.

2. The Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India.

3. Other Expenses include stores and spares consumed, outward processing charges, power and fuel, packing materials consumed, product development expenses etc.

4. The Company is principally engaged in the manufacture of castings, which constitutes its only reportable segment. Power generated by the Company's wind turbine generators is consumed captively in its manufacturing operations. The wind-power facilities are monitored as a utility/cost centre for power-cost efficiency and their operating results are not separately reviewed by the Chief Operating Decision Maker for resource allocation or performance assessment. Accordingly, the wind-power activity does not constitute a separate operating segment under Ind AS 108, "Operating Segments", and no separate segment-wise information is required to be presented.

5. In accordance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the above unaudited standalone financial results of the company are available on the Company's website at www.creative-cast.com and on the BSE Limited website at www.bseindia.com.

6. The Board of Directors, at its meeting held on August 1, 2026, has recommended a final dividend of **125%** (2024-25: 100%), i.e. **₹12.50** per equity share of ₹10 each (2024-25: ₹10.00 per share), for the financial year 2025-26, subject to approval of the members.

7. The figures for the quarter ended March 31, 2026 are the balancing figures between audited figures in respect of the full financial year ended March 31, 2026 and the published unaudited year-to-date figures up to the third quarter ended December 31, 2025, which were subjected to limited review by the statutory auditors of the Company.

8. The figures for the previous periods / year have been regrouped, reclassified or rearranged, wherever necessary, to conform to the current period's classification, disclosure and presentation.

9. **Restatement of comparative financial information**

   During the quarter, the Company reassessed the presentation of electricity generated through its wind-power facilities and captively consumed in its casting operations. Such captive generation represents an internal transfer within the Company and does not constitute revenue from an external customer.

   Accordingly, the comparative financial results have been restated to eliminate the amounts previously presented on a gross basis under "Revenue from Operations" and the corresponding amount included under "Power and Fuel Expense" clubbed under "Other Expenses". The restatement is summarised below:

Other Expenses	₹563.35 lakh	₹(21.94) lakh	₹541.41 lakh
