Independent Auditor's Limited Review Report on Unaudited Standalone Financial Results of Vibhor Steel Tubes Limited for the Quarter ended 30 June 2026, pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To The Board of Directors of Vibhor Steel Tubes Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results of Vibhor Steel Tubes Limited ("the Company") for the quarter ended June 30, 2026 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulations 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder ("Ind As 34") and other recognised accounting principles generally accepted in India and is in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
