Commenting on the results, Mr. Rajiv Mittal, Chairman & Managing Director, VA TECH WABAG LIMITED said, *"We are delighted to start the year with strong international and domestic orders, robust top-line momentum, and strong profitability. All clusters delivered on order intake which resulted in our order book surging to approximately INR 19,400 crores, even as we persisted with our selective approach to bidding for projects. We forayed into Kuwait with the award of a "Mega" SWRO project and also entered the UAE market with an order win in Ajman. In India, we enhanced our long-standing relationships with BWSSB and DJB, through new order wins. In Europe, we secured a key project win in Austria from Donauinsel Water Works. These wins provide us with strong revenue visibility and reflect our focus on complex technology jobs which fall in our focus area and enable us to deliver value addition to our clients.*

In this quarter, we continued to grow profitably, extending our positive net cash position streak to the 14th consecutive quarter to reach INR 965 crores. Our strong performance is reflected in excellent execution discipline, with margins continuing to remain in line with our medium-term target. Our order pipeline indicates significant growth opportunities even going forward. We remain committed to enhancing value for our stakeholders and enabling them to participate in our success."
