The grievance of the petitioner is directed against refusal of WBSEDCL to supply a fresh electricity connection to the submersible pump of the petitioner.

On behalf of the WBSEDCL, it is submitted that more than half the work for providing such connection to the petitioner has been completed. However, there has been obstruction by the private respondents.

On behalf of the private respondents, it is submitted that necessary construction work has been carried out on the agricultural land and the same has caused irreparable prejudice and harm to the private respondents.

In view of the submissions made on behalf of the parties, WPA 11477 of 2026 stands disposed of by directing the WBSEDCL to provide such
