AVG Logistics Bags Strategic Contract from Renowned Cement Manufacturer For 30 Heavy Duty EV Trucks

New Delhi, August 12, 2026: – AVG Logistics Limited, (BSE – 543910, NSE – AVG), a leading multimodal logistics solutions provider, is pleased to announce a major strategic expansion into sustainable industrial bulk logistics through a long-term partnership with renowned cement manufacturer Company. This milestone agreement states a significant leap in expanding AVG's specialized industrial transport portfolio, strengthening its commitment to eco-friendly, technology-driven supply chain solutions.

Under this strategic contract, AVG Logistics will deploy a dedicated fleet of 30 heavy-duty EV Trucks to manage seamless inbound and outbound logistics for essential raw materials and finished goods. The operations will power key industrial corridors across North East region, which will ensure high-capacity transport averaging 38 to 41 MT net load per trip.

A standout feature of this collaboration is the integration of green logistics and EV infrastructure. As part of the agreement, AVG Logistics will establish, operate, and maintain dedicated EV charging stations and backing sustainable, zero-emission supply chain practices in the cement manufacturing sector.

The partnership is built on a robust 5-year contract tenure (extendable for an additional 3 years), guaranteeing long-term revenue stability and operational efficiency. Backed by GPS monitoring, digital automation tracking, and strict adherence to safety and transit timelines, this alliance highlights AVG's capability to execute complex, high-volume industrial contracts.

This long-term engagement is expected to strengthen the company's financial standing, providing a strong, recurring boost to both its topline and operating profitability. The scale of the 30-vehicle deployment under a multi-year framework ensures high fleet utilization and stable cash flows. while the integration of advanced on-site EV infrastructure and operational efficiencies will drive margin expansion, contributing positively to AVG's long-term growth and stakeholder value.

Mr. Sanjay Gupta Managing Director, AVG Logistics Limited said**,** "*Our long-term partnership with our customers reflects core strengths in handling high-volume, critical industrial logistics while pioneering sustainable infrastructure like on-site EV charging solutions. This long-term contract not only reinforces our robust foothold in the industrial and cement logistics segment but also aligns with our strategic vision of driving profitable, green, and sustainable long-term growth.*"
