Notes :

- 1 These audited standalone financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
- 2 These audited standalone financial results were reviewed and recommended by the Audit Committee of the Board and approved by the Board of Directors of the Company at their meeting held on 29 May 2026.
- 3 The audited standalone financial results for the quarter and year ended 31 March 2026 presented have been audited by the Statutory Auditors of the Company. An unqualified report was issued by them thereon.
- 4 The figures for the quarter ended 31 March 2026 and 31 March 2025 are the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of that financial years which were subjected to limited review by the statutory auditors.
- 5 During the year, upon obtaining the necessary approvals from BSE Limited and National Stock Exchange of India Limited, Aion-Tech Solutions Limited allotted 1,76,79,770 equity shares of Rs. 10/- each at an issue price of Rs. 110/- per share to the shareholders of ETO Motors Private Limited on 12 May 2025 under a share swap arrangement, pursuant to which one equity share of Aion-Tech Solutions Limited was issued for every one equity share held in ETO Motors Private Limited to eligible shareholders. The transaction, aggregating to Rs. 1,944.77 million, being non-cash in nature, had no impact on the Statement of Cash Flows for the year.
- 6 During the year, the Company's shareholding in ETO Motors Private Limited increased from 1,90,35,746 equity shares to 1,97,68,354 equity shares pursuant to the conversion of ICDs into 7,32,608 equity shares at Rs. 110/- per share. The aggregate amount of Rs. 80.59 million, including accrued interest of Rs. 0.59 million, being a non-cash transaction, had no impact on the Statement of Cash Flows for the year. Consequent to the share swap arrangement referred to above, the Company's percentage shareholding in ETO Motors Private Limited reduced from 58.51% to 56.29%.
- 7 During the year, Aion-Tech Solutions Limited transferred SaaS platform development expenditure amounting to Rs. 52.10 million to its wholly owned subsidiary, Roqit Greenfield Digital Solutions Private Limited, on a cost-to-cost basis, against allotment of 52,10,000 equity shares of Rs. 10/- each. As the transaction was non-cash in nature, there was no impact on the Statement of Cash Flows for the year.
- 8 During the year, Aion-Tech Solutions Limited created a lien on its fixed deposits amounting to Rs. 50 million in favour of ICICI Bank Limited to facilitate an overdraft facility of Rs. 50 million availed by its subsidiary, ETO Motors Private Limited, from ICICI Bank Limited, MG Road Branch, Secunderabad, Hyderabad.
- 9 During the year, Aion-Tech Solutions Limited incorporated a subsidiary, namely GTL Aion IT Solutions L.L.C, in Dubai. However, the subsidiary has not yet commenced operations due to prevailing geopolitical uncertainties in the region.
- 10 Segment Capital Employed: As Assets and Liabilities are often deployed interchangeably across segments, it is impractical to allocate these Assets and Liabilities to each segment. Hence, the details of Segmental Assets, Segmental Liability and Segmental Capital Employed have not been disclosed.
- 11 On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as Statutory impact of new Labour Codes under Exceptional Items in the standalone interim statement of profit and loss for the quarter ended December 31, 2025 and for the year ended March 31, 2026. The incremental impact consisting of gratuity of 4.28 million primarily arises due to change in wage definition for the quarter ended 31 December 2025. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.
- 12 Statement of Audited Standalone Assets & Liabilities is attached as Annexure-A.
- 13 Statement of Audited Standalone Cash Flow is attached as Annexure-B.
- 14 Previous period figures have been re-grouped / re-classified wherever necessary.

The Statement has been prepared on the basis of the Standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(1) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. We have given an unmodified opinion on Internal financial controls of the company.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

- These audited consolidated financial results were reviewed and recommended by the Audit Committee of the Board and approved by the Board of Directors of the Company at their meeting held on 29 May 2026.
- The above audited consolidated financial results includes the financial results of the subsidiaries named (1) Staytop Systems, Inc., USA. (2) Roqit Greenfleet Digital Solutions Private Limited. (3) ETO Motors Private Limited and step down subsidiary name ETO Mobility Services Private Limited.
- The audited consolidated financial results for the quarter and year ended 31 March 2026 presented have been audited by the Statutory Auditors of the Company. An unqualified report was issued by them thereon.
- The figures for the quarter ended 31 March 2026 and 31 March 2025 are the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of that financial years which were subjected to limited review by the statutory auditors.
- During the year, upon obtaining the necessary approvals from BSE Limited and National Stock Exchange of India Limited, Aion-Tech Solutions Limited allotted 1,76,79,770 equity shares of Rs. 10/- each at an issue price of Rs. 110/- per share to the shareholders of ETO Motors Private Limited on 12 May 2025 under a share swap arrangement, pursuant to which one equity share of Aion-Tech Solutions Limited was issued for every one equity share held in ETO Motors Private Limited to eligible shareholders. The transaction, aggregating to Rs. 1,944.77 million, being non-cash in nature, had no impact on the Statement of Cash Flows for the year.
- During the year, the Company's shareholding in ETO Motors Private Limited increased from 1,90,36,746 equity shares to 1,97,68,354 equity shares pursuant to the conversion of ICDs into 7,32,608 equity shares at Rs. 110/- per share. The aggregate amount of Rs. 80.69 million, including accrued interest of Rs. 0.59 million, being a non-cash transaction, had no impact on the Statement of Cash Flows for the year. Consequent to the share swap arrangement referred to above, the Company's percentage shareholding in ETO Motors Private Limited reduced from 58.61% to 66.29%.
- During the year, Aion-Tech Solutions Limited transferred SaaS platform development expenditure amounting to Rs. 52.10 million to its wholly owned subsidiary, Roqit Greenfield Digital Solutions Private Limited, on a cost-to-cost basis, against allotment of 52,10,000 equity shares of Rs. 10/- each. - During the year, Aion-Tech Solutions Limited incorporated a subsidiary, namely GTL Aion IT Solutions L.L.C, in Dubai. However, the subsidiary has not yet commenced operations due to prevailing geopolitical uncertainties in the region.
- The group's revenues in the segment named "USA - Information Technology Services / Software Services" has reduced significantly over the period of time, accordingly this segment is derecognised for Segment Reporting.
- On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as Statutory impact of new Labour Codes under Exceptional Items in the standalone Interim statement of profit and loss for the quarter ended December 31, 2025 and for the year ended March 31, 2026. The incremental impact consisting of gratuity of 4.28 million primarily arises due to change in wage definition for the quarter ended 31 December 2025. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.
- Statement of Audited Consolidated Assets & Liabilities is attached as Annexure-C.
- Statement of Audited Consolidated Cash Flow is attached as Annexure-D.

Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to

draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ financial information of the entities within the Group of which we are the independent auditors to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the LODR Regulations, as amended, to the extent applicable.
