About Infinity Infoway Limited

Infinity Infoway Limited is an innovation-driven technology company offering a diversified portfolio of solutions across Enterprise Resource Planning (ERP), Education Technology, Online Examination Systems, Artificial Intelligence and secure examination infrastructure.

The Company is strengthening its transition from a conventional ERP solutions provider towards an innovation-led, IP-driven and scalable technology platform, leveraging proprietary solutions, technology expertise and institutional relationships.

Its emerging growth strategy is centred on three key verticals — ZEROTOUCH®, AI in Education and AI in Manufacturing, aimed at addressing evolving technology requirements across educational institutions, government initiatives and enterprise customers.

Strategic & Business Highlights

ZEROTOUCH® – Patented AI-Powered Examination Technology

Infinity Infoway's flagship ZEROTOUCH® solution enables secure digital question-paper delivery and on-site printing. The Company plans to deploy over 150 machines, targeting 6.4 lakh+ students across 3 universities and 20+ institutions, with an expected revenue contribution of 20–22%, subject to successful implementation.

Gujarat Gyan Guru Quiz (G3Q) Season 3.0 – Strengthening Digital Education Presence

Infinity Infoway manages the technology platform for the Government of Gujarat's G3Q initiative. The launch of AI-enabled G3Q Season 3.0, inaugurated by the Hon'ble Chief Minister of Gujarat, reinforces the Company's capabilities in large-scale digital education solutions.

AI Manthan 2.0 – Showcasing ZEROTOUCH® Before Academic Leadership

At AI Manthan 2.0, organised in Uttar Pradesh, Infinity Infoway demonstrated its flagship ZEROTOUCH® solution before 50+ Vice Chancellors, 50+ academic and AI experts, and 500+ education leaders and academicians, strengthening institutional engagement and visibility.

Expanding AI-Led Growth Opportunities

Infinity Infoway continues to strengthen its strategic focus on AI in Education and AI in Manufacturing, alongside ZEROTOUCH®, as its three emerging growth engines. The Company aims to leverage its existing ERP expertise, proprietary technologies and institutional relationships to develop scalable solutions, diversify its technology portfolio and expand its presence across education and enterprise markets.

Management Commentary

Mr. Bhaveshkumar Dhirajlal Gadhethariya, Promoter & Managing Director, Infinity Infoway Limited, commented:

"H1 FY27 marks a milestone performance, with Revenue and EBITDA more than doubling, reflecting strong business momentum and execution. Our growth strategy remains focused on ZEROTOUCH®, AI in Education and AI in Manufacturing. Recent milestones, including G3Q Season 3.0 and AI Manthan 2.0, further strengthen our technology capabilities and institutional engagement. We remain committed to accelerating innovation, expanding our market presence and building a scalable technology business focused on sustainable long-term stakeholder value."

Outlook

With strong financial momentum, expanding technology capabilities and a growing focus on proprietary solutions, Infinity Infoway Limited remains committed to strengthening its position in the technology and digital transformation ecosystem. The Company intends to accelerate the commercial expansion of ZEROTOUCH®, deepen its institutional presence and pursue opportunities across AI in Education and AI in Manufacturing. Supported by its technology expertise, intellectual property and expanding market opportunities, Infinity Infoway aims to build a diversified and scalable business platform while creating sustainable long-term value for stakeholders.
