The Corporate Relationship Department / Listing Compliance,
BSE Limited,
Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai – 400 001.

Scrip Code: 516032 **Company:** Tahmar Enterprises Limited

Subject: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 — Launch of the “Tahmar Energy Platform” and entry into a new line of business (renewable energy).

Dear Sir / Madam,

1. Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“LODR Regulations”), read with Schedule III thereto, the SEBI Master Circular on compliance with the provisions of the LODR Regulations and the Industry Standards on Regulation 30 specified by SEBI, we wish to inform the Exchange that the Company has, on **9 July 2026**, launched the “Tahmar Energy Platform” and thereby entered a new line of business in the renewable energy sector, which the Company is carrying on as a new business division.
2. The Tahmar Energy Platform is a programme of co-operative solar societies proposed to be registered in the State of Maharashtra. Under the platform, consumers enrolled as members of such societies own identified solar generating capacity in offsite, society-operated solar farms, and the benefit of such generation is set off against their electricity consumption.
3. The Company operates the platform as a new business division. In connection with the division, the Company has engaged Axel Renewables Corp LLP (LLPIN ACE-5219) and other service providers on arm’s-length commercial terms. None of these parties is a related party of the Company within the meaning of the LODR Regulations.
4. The platform has been launched and enrolment of members has commenced. The initial solar farm is presently targeted for completion by the last quarter of calendar year 2026, with further capacity to be developed and energised in a phased manner thereafter. Commencement of generation is subject to registration of the societies; the applicable open access, connectivity and metering approvals; and other applicable regulatory approvals.
5. The details of the new line of business, as required to be disclosed under Regulation 30 of the LODR Regulations read with the applicable SEBI circulars and Industry Standards, are set out in the **Annexure** to this letter.
6. Certain statements in this disclosure relating to future plans, timelines and outcomes are forward-looking and are based on the Company’s current expectations. Such statements are subject to regulatory approvals and other factors beyond the Company’s control, and actual outcomes may differ materially. The Company will make further disclosures as and when required upon material developments in this matter.

ANNEXURE

Details of the new line of business under Regulation 30 of the LODR Regulations, read with the SEBI Master Circular and the Industry Standards on Regulation 30

Sr.	Particulars	Details
1	Name and nature of the new line of business	Renewable energy — solar power generation, carried on by the Company as a new business division (the “Tahmar Energy Platform”, also styled “TAX-RE”). Under the platform, consumers enrolled as members of co-operative solar societies own identified solar generating capacity in offsite, society-operated solar farms, and set off the generation against their electricity consumption. The societies hold the project land on long-term lease and are the counterparties for operation and maintenance.
2	Whether the new line of business falls within the main objects of the Memorandum of Association, or whether an amendment to the objects clause is required	The activity falls within the existing objects of the Company’s Memorandum of Association. The Memorandum and Articles of Association permit the Company to carry on the said business, and no amendment to the objects clause is required.
3	Rationale for entering the new line of business and expected benefits	To monetise the Company’s existing land and to develop further green-energy initiatives, in line with the Company’s vision of building a renewable and environmentally sustainable business.
4	Estimated quantum of investment proposed, and proposed source of funding	The Company’s cash outflow / investment in the new line of business is not presently determinable and is not expected to be material. The Company will make disclosure if and when the same becomes material or determinable.
5	Mode of entry and the parties engaged in connection with the division	Organic entry by the Company as a new business division. In connection with the division, the Company has engaged Axel Renewables Corp LLP (LLPIN ACE-5219, ROC Pune) and other service providers, on arm’s-length commercial terms, for market-development, customer-acquisition, technical, regulatory, land-sourcing and operational services.
6	Whether the entry is a related-party transaction, and whether the promoter, promoter group or group companies have any interest	None of the parties engaged in connection with the division, including Axel Renewables Corp LLP, is a related party of the Company within the meaning of Regulation 2(1)(zb) of the SEBI (LODR) Regulations, 2015, and no promoter or member of the promoter group has any interest in them. The arrangements are on an arm’s-length basis.
