## **PRESS RELEASE**

### **Shivam Pipes (subsidiary of KD Green Industries Ltd) secured ₹ 9.06 Cr Crore Order for supply of Galvanized Steel Tubular Electric Poles to Meghalaya Power Distribution Corporation Ltd. (MePDCL) under RDSS**

**Guwahati, May 26, 2026:** Shivam Pipes, a 51% subsidiary of KD Green Industries Limited (earlier known as Manbro Industries Limited), a BSE listed company (Scrip Code: 512595) has recently **secured single order for an amount of ₹ 9.06 crores (approx.) for the supply of Galvanized Steel Tubular Electric Poles to Meghalaya Power Distribution Corporation Ltd. (MePDCL).**

**This order has been received under Revamped Distribution Sector Scheme ('RDSS') with a delivery timeline by end of June 2026.** The order has been awarded through contractor executing power distribution for MePDCL.

Shivam Pipes is already a registered vendor with multiple electricity utilities across North Eastern states including under RDSS, for supply of its Galvanized Steel Tubular Electric Poles under the brand name **'Xtech'**.

#### **Expanding Opportunity: Power Infrastructure in North East**

The North Eastern region continues to emerge as a high-growth corridor for **power infrastructure**, driven by strong government push and strategic investments:

#### **Power Infrastructure**

- Large-scale investments in transmission & distribution under various government schemes including RDSS
- Significant hydropower and renewable energy potential
- Continued focus on rural electrification and grid strengthening

#### **MANAGEMENT COMMENTARY:**

*"We are pleased to secure this order for supply to electricity board. Our empanelment and approval with key utilities position us strongly for future growth in power infrastructure sectors. With continued Governmental focus on electrification including under RDSS, demand for galvanized steel tubular poles is expected to remain strong."*

#### **ABOUT SHIVAM PIPES:**

Shivam Pipes is a leading manufacturer of steel pipes and galvanized tubular poles under the 'XTech' brand. It is already registered with various north eastern state electricity boards, BSNL, PWD, etc as approved vendor. It is already supplying its products to above mentioned Government agencies and utilities. It has present capacity of 36,000 MT per annum.
