Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended

To
The Board of Directors
BANKA BIOLOO LIMITED

Report on the Audit of the Standalone Financial Results Opinion

We have audited the accompanying Statement of Audited Standalone Financial Results of BANKA BIOLOO LIMITED ("The Company") for the quarter and year ended March 31, 2026 ("The Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the statement:

- a) Is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b) Gives a true and fair view in conformity with the recognition and measurement laid down in the applicable Indian Accounting standards prescribed under sec 133 of the companies Act 2013 ("The Act") read with relevant rules issued under ("IND AS") and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information of the company for the quarter and year ended March 31, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA's) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to Note No. 6 to the standalone financial results regarding Trade Receivables amounting to Rs. 687.44 lakhs is (including unbilled revenue) receivable from Government bodies, namely Commissioner & Director of Municipal Administration (CDMA), Telangana and Swachha Andhra Corporation, Andhra Pradesh representing approximately 25% of the total trade receivables as at March 31, 2026. Out of the said balance, receivables aggregating to Rs. 125.26 lakhs have remained outstanding for a period exceeding two years. The Company has not recognized any provision against these receivables considering the nature of the parties and ongoing recovery efforts.

Our opinion is not modified in respect of the above matter

Management and the Board of Directors' Responsibilities for the Standalone Financial Results

The statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been compiled from the related standalone financial statements which has been prepared in accordance with the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the Quarter ended March 31, 2026 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us, as required under the Listing Regulations.

Notes:

1. The above audited Standalone Financial Results were reviewed by the Audit Committee and then approved by the Board of Directors at their respective meetings held on 26 May 2026.
2. The Standalone Financial Results have been prepared in accordance with Indian Accounting Standards ("IND AS") prescribed under section 133 of the Companies Act 2013 ("the Act") read with the relevant rules issued there under and other accounting principles generally accepted in India and the guidelines issued by SEBI.
3. The above Standalone Financial Results have been prepared in Compliance with Regulation 33 of SEBI (Listing Obligations and Disclosure requirements) Regulations 2015. The figures for the last quarter are the balancing figures between audited figures in respect of the full financial year and the published year-to-date figures up to the third quarter of the current financial year
4. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the company has presented such incremental impact of Rs:- 29.52 lakhs under "Exceptional Items" in the statement of profit and loss for the year ended March 31, 2026. The company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.
5. With respect to contract and fixed-term employees, the Company has assessed the impact of the new Labour Codes, specifically the Code on Social Security, 2020 (effective 21 November 2025), on its statutory liabilities. Pursuant to Section 53 of the said Code, fixed-term employees are now eligible for gratuity upon completion of one year of service. Based on such assessment, the Company is of the view that the resultant gratuity obligation in respect of such employees is not material to the financial statements and accordingly no provision has been recognised for the year ended March 31, 2026.
6. Included in Trade Receivables (including unbilled revenue) amounting to Rs. 687.44 lakhs (representing approximately 25% of the total trade receivables as at March 31, 2026) are amounts receivable from Government bodies, namely Commissioner & Director of Municipal Administration (CDMA), Telangana and Swachha Andhra Corporation, Andhra Pradesh. Out of the said balance, receivables aggregating to Rs. 125.26 lakhs have remained outstanding for a period exceeding two years. The Company has not made any provision against these receivables considering nature of the party and ongoing recovery efforts.
7. The Standalone Financial Results for the quarter & year ended 31 March 2026 have been prepared following the same accounting policies as those followed for the annual financial statements for the year ended 31 March 2025.

8. Based on the internal reporting provided to the Chief Operating Decision Maker, the standalone financial results relate to the business of waste water & fecal treatment manufacture, supply and installation of and related AMOC services as the only reportable primary segment of the Company as per the Ind AS 108 "Operating Segments".
9. The Company has considered internal and external information up to the date of approval of these standalone financial results in assessing the recoverability of assets including trade receivables, unbilled receivables, based on which it expects to recover the carrying amount of these assets.
10. Figures of previous year / period have been regrouped / recast wherever necessary, to make them comparable.

Our opinion is not modified in respect of the above matter

Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Notes:

1. The above statement of audited Consolidated Financial Results of the Banka BioLoo Limited (“Holding Company”) and its subsidiaries (together referred as “Group”), associates were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 26 May 2026.
2. The Consolidated Financial Results have been prepared in accordance with Indian Accounting Standards (“INDAS”) prescribed under section 133 of the Companies Act 2013 (“the Act”) read with the relevant rules issued there under and other accounting principles generally accepted in India and the guidelines issued by SEBI.
3. The consolidated financial results of the Group include the results of the company and results of the following entities.

Name of the entity	Status
Enzotech Solutions Pvt Ltd	Wholly owned subsidiary
Megaliter Varunaa Pvt Ltd	Subsidiary
Sai Banka SPV Pvt Ltd	Associate with 50% share to the Company

4. The above Consolidated Financial Results have been prepared in Compliance with Regulation 33 of SEBI (Listing Obligations and Disclosure requirements) Regulations 2015. The figures for the last quarter are the balancing figures between audited figures in respect of the full financial year and the published year-to-date figures up to the third quarter of the current financial year
5. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Group has presented such incremental impact of Rs:- 29.52 lakhs under “Exceptional Items” in the consolidated statement of profit and loss for the year ended March 31, 2026. The Group continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.
6. With respect to contract and fixed-term employees, the Group has assessed the impact of the new Labour Codes, specifically the Code on Social Security, 2020 (effective 21 November 2025), on its statutory liabilities. Pursuant to Section 53 of the said Code, fixed-term employees are now eligible for gratuity upon completion of one year of service. Based on such assessment, the Group is of the view that the resultant gratuity obligation in respect of such employees is not material to the financial statements and accordingly no provision has been recognised for the year ended March 31, 2026.

7. Included in Trade Receivables (including unbilled revenue) amounting to Rs. 687.44 lakhs (representing approximately 25% of the total trade receivables as at March 31, 2026) are amounts receivable from Government bodies, namely Commissioner & Director of Municipal Administration (CDMA), Telangana and Swachha Andhra Corporation, Andhra Pradesh. Out of the said balance, receivables aggregating to Rs. 125.26 lakhs have remained outstanding for a period exceeding two years. The Company has not made any provision against these receivables considering nature of the party and ongoing recovery efforts.
8. Enzotech Solutions Private Limited, a wholly-owned subsidiary of the Company, had filed an application under Section 6 read with Section 10 of the Insolvency and Bankruptcy Code, 2016, for initiation of voluntary Corporate Insolvency Resolution Process ("CIRP") before the Hon'ble National Company Law Tribunal (NCLT), Chennai Bench during FY 2024-25. As at March 31, 2026, the matter is pending before the Hon'ble NCLT and no final order has been received
9. The Consolidated Financial Results for the quarter & year ended 31 March 2026 have been prepared following the same accounting policies as these followed for the annual financial statements for the year ended 31 March 2025.
10. Based on the internal reporting provided to the Chief Operating Decision Maker, the consolidated financial results relate to the business of waste water & fecal treatment manufacture, supply and installation of and related AMOC services as the only reportable primary segment of the Group as per the Ind AS 108 "Operating Segments".
11. The Group has considered internal and external information up to the date of approval of these Consolidated financial results in assessing the recoverability of assets including trade receivables, unbilled receivables, based on which it expects to recover the carrying amount of these assets.
12. Figures of previous year / period have been regrouped / recast wherever necessary, to make them comparable.
