Dear Sir/Madam,

Sub: Time Technoplast Limited secures order of Rs. 87.53 Crores for supply of Type IV Composite CNG Cylinders – Mobile Storage Cascades for CNG and CGD Network from Well-Established Public Sector Undertaking (PSU)

Ref: Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Time Technoplast Limited has received an Order from a well-established Public Sector Undertaking (PSU), a JV of **TWO MAHARATNA PSUs**, for the supply of Type IV Composite CNG Mobile Storage Cascades valued at approximately Rs. 87.53 Crores.

The order is for deployment across its CNG and City Gas Distribution (CGD) network, supporting the expansion of natural gas infrastructure for transport and industrial use in the state.

The Company has a track record of executing similar orders for major gas distribution companies, and continues to count well established PSU as a repeat customer for its composite cascade solutions.

This order reinforces Company's position as India's **FIRST & ONLY** manufacturer with PESO (Petroleum and Explosives Safety Organisation) approval for Type IV Composite cylinders across LPG, CNG and hydrogen applications. Type IV composite cylinders offer significant advantages over conventional steel cylinders, including lighter weight, higher gas-carrying capacity, corrosion resistance and enhanced safety benefits that are driving their increasing adoption by City Gas Distribution companies across India as they scale up CNG and PNG infrastructure.

TIME TECHNOPLAST LTD.
