- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Listing Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Explanatory Statements set out all material facts relating to the Special business mentioned under all items of the accompanying Notice

ITEM NO 1: TO APPROVE THE ALTERATION OF OBJECT CLAUSE OF MEMORANDUM OF ASSOCIATION OF THE COMPANY:

The Board of Directors, in its meeting held on 18.06.2026 and 24.06.2026, has approved the proposal for amendment in the Object Clause of the Memorandum of Association (MOA) of the Company to align the business activities with its future plans and diversification relating to manufacturing, processing and trading of aluminium, zinc and other metals, aerospace engineering components, marine and shipbuilding activities, as well as import, export and trading of chemicals, petrochemicals, petroleum products, lubricants, oils, fuels and allied products. The proposed change requires the approval of the shareholders by way of a Special Resolution.

In view of the prevailing geopolitical uncertainties, global supply chain disruptions, depreciation of the Indian Rupee, and increasing crude oil prices, the Company's business of importing and trading second-hand machinery has become increasingly challenging and economically unviable. Accordingly, with a view to diversifying its business activities, improving long-term sustainability, and enabling the Company to pursue new business opportunities, it is proposed to amend the Object Clause of the Memorandum of Association.

At present, the existing Object Clause of the Company does not specifically cover the aforesaid activities. In order to expand and diversify the Company's business operations and explore new opportunities in the metals and manufacturing sector (including aluminium and zinc products), marine engineering and defence shipbuilding sector, and chemical and petroleum products sector, the Board considers it desirable to include suitable clauses in the Object Clause of the MOA.

The proposed insertion will enable the Company to undertake new lines of business which are considered to be feasible, profitable, and synergistic with the existing business activities of the Company.

Pursuant to the provisions of Section 13 of the Companies Act, 2013, alteration in the Object Clause of the Memorandum of Association requires the approval of the members of the Company by way of a Special Resolution and subsequent approval of the Registrar of Companies (ROC).

The Board recommends the resolution for your approval as a Special Resolution.

None of the Directors, Key Managerial Personnel, or their relatives have any financial or other interest in the proposed change in object of utilisation of the preferential issue proceeds, except to the extent of their shareholding in the Company, if any.

originally approved Rs. 6 crores and only Rs.6 crores have been paid. The balance consideration shall be funded by the Company from its internal accruals and/ or other external funding sources.

• PROPOSED VARIATION

The Members are informed that the aforesaid preferential issue was undersubscribed. Against the originally approved issuance of 41,84,000 equity shares and 40,00,000 convertible warrants, subscriptions were received for only 38,10,900 equity shares, while the entire 40,00,000 convertible warrants were subscribed and allotted. Consequently, the Company received aggregate proceeds of Rs. 41.01 Crores, as against the originally envisaged fund raise of Rs. 42.97 Crores.

As a direct result of the undersubscription, the funds originally allocated to the various objects of the preferential issue have correspondingly changed, and the actual availability of funds against each original object is now varied. The Board of Directors and the Audit Committee have accordingly revisited the deployment plan in light of the actual funds received.

The treatment of issue proceeds is accordingly summarized as under. The proposed allocation towards "Investment in subsidiaries and strategic acquisitions" amounting to Rs. 5.00 crore has been fully withdrawn and dropped from the utilisation plan.

In addition, the funds shall also be deployed towards the Company's new business activities pursuant to the proposed expansion of its object clause, thereby supporting business diversification and future growth initiatives. Accordingly, it is proposed to allocate approximately ₹ 3 crore towards capital expenditure and ₹5.53 crore towards working capital requirements for the new line of business (details of which as provided under Item No. 1) proposed to be incorporated in the Memorandum of Association.

In view of the Company's revised operational requirements and prioritisation of funds, the said amount, along with a portion of reallocated funds from other heads, shall be utilised towards meeting the enhanced working capital requirements of the Company.

In light of the above, the Board of Directors proposes to utilise the unutilised issue proceeds for the following revised objects, subject to the approval of the Members at the ensuing General Meeting.

The Board confirms that the proposed change does not in any manner alter the rights of the allottees under the original preferential issue, and the lock-in obligations on the allotted shares remain unchanged.

The Audit Committee of the Board of Directors of the Company, at its meeting held on June 24, 2026, reviewed the proposed change in the object of utilisation of the preferential issue proceeds. After due deliberation, the Audit Committee has recommended to the Board and the shareholders the approval of the proposed change, as it is in the best interest of the Company and its members.
