EXPLANATORY STATEMENT

Under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (**Listing Regulations**), (including any amendments or modifications thereto) a transaction (or a series of transactions) with a related party is treated as material where its aggregate value in a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the listed entity. Applying this test to the Company, the materiality threshold for the purpose of seeking members' approval is Rs. 152 crores (Indian Rupees One Hundred Fifty Two Crores only).

Regulation 23 of the Listing Regulations requires every material related party transaction to be placed before the members of the listed entity for prior approval by way of an ordinary resolution. This requirement is applicable notwithstanding that the underlying transaction is undertaken in the ordinary course of business of the Company and on an arm's length basis.

Set out below, is the background and details of the transaction:

The Company is engaged in the manufacturing of ice creams, frozen desserts, flavoured milk and other milk, dairy and processed food products, which are marketed and sold under the flagship 'Vadilal' brand. The domestic sale and distribution of the Company's products in India is presently routed principally through Vadilal Enterprises Limited (**VEL**) under a sale and purchase arrangement entered into between the Company and **VEL** in September 2016, for a period of 10 (ten) years (the **Supply Agreement**). The Supply Agreement is scheduled to expire on September 30, 2026. Earlier, on September 10, 2026, the shareholders of the Company had approved renewal of the said agreement for a period of 1 (one) year, however, such renewal did not receive the approval of the public shareholders of VEL.

Since the Company received communication from VEL on September 10, 2026 regarding non-renewal of the Supply Agreement, the management team of the Company and members of the Special Committee of the Company have explored alternate arrangements including alternate vendors for providing distribution services, building captive capacity for distributing the products itself, etc. However such arrangements would take considerable time to put in place, their financial terms need careful consideration and negotiation, and their execution would require significant time commitment and management bandwidth.

To ensure immediate business continuity while alternate business opportunities and commercial arrangements as above are being explored and set up, VEL management has reached out to the Company for entering into a supply agreement for a period of 12 (twelve) months ("**2026 Supply Agreement**") on substantially similar terms to the supply agreement dated September 2016, which the management team is amenable to considering the disruption that may be caused if the Supply Agreement was not to be renewed.

VEL qualifies as a related party of the Company as per Regulation 2(1)(zb) of the Listing Regulations and Section 2(76) of the Companies Act, 2013 given that certain promoter directors of the Company are also directors of **VEL** and hold, together with their relatives, more than 2% (two percent) of its paid-up share capital. As a result, the 2026 Supply Agreement requires the approval of the members of the Company in accordance with the provisions of the Companies Act, 2013 and the Listing Regulations. As per Regulation 23 of the Listing Regulations.

The aggregate value of the transactions between the Company and **VEL** under the said arrangement is expected to be up to Rs. 1,426 Crores (Indian Rupees One Thousand Four Hundred Twenty Six Crores only), which exceeds the materiality thresholds prescribed under Regulation 23(1) read with Schedule XII of the Listing Regulations. The transactions under the 2026 Supply Agreement will be undertaken in the ordinary course of business of the Company and on an arm's length basis. The Audit Committee and the Board have granted their approval to the execution of the 2026 Supply Agreement and accordingly, approval of the members of the Company is sought.

In accordance with the Listing Regulations, the Audit Committee has also reviewed the 2026 Supply Agreement, and granted its approval to its execution and recommended it to the Board. The Board approved the 2026 Supply Agreement on September 30, 2026 and recommended the same for shareholders' approval.

The Audit Committee has also reviewed the certificate furnished by the Chief Executive Officer and Chief Financial Officer of the Company, confirming that execution of the 2026 Supply Agreement is in the interest of the Company.

The requisite information in respect of the proposed transaction, in accordance with the Listing Regulations, the SEBI Master Circular dated November 11, 2024, read with SEBI Circular dated June 26, 2025 and October 13, 2025, and the Industry Standards on 'Minimum Information to be Provided for Review of the Audit Committee and Shareholders for Approval of Related Party Transactions', is set out in **Annexure A**.

Save for the promoter directors referred to above (and their relatives, to the extent of their respective interests), none of the other directors, key managerial personnel of the Company, or their relatives, is concerned or interested, financially or otherwise, in the proposed resolution.

Having regard to the review and endorsement by the independent directors on the Audit Committee, the Board recommends the Ordinary Resolution set out under Item No. 1 of this Notice for approval by the members, in accordance with the Listing Regulations. In accordance with the Listing Regulations, no related party of the Company (*as stated herein*), whether or not such related party is itself a party to the proposed transaction, shall vote on the resolution set out under Item No.1.

ANNEXURE A

Details of the Material Related Party Transaction

Set out below are the requisite details of the proposed 2026 Supply Agreement, a material related party transaction with Vadilal Enterprises Limited (**VEL**), in accordance with the Listing Regulations, the SEBI Master Circular dated November 11, 2024, read with SEBI Circular dated June 26, 2025 and October 13, 2025, and the Industry Standards on 'Minimum Information to be Provided for Review of the Audit Committee and Shareholders for Approval of Related Party Transactions',

Accordingly, based on the recommendation of the Special Committee, Audit Committee and the Board of Directors, it is proposed that the arrangement be executed for a period of 12 (twelve) months.

Pursuant to certain promoter directors of the Company also being directors of **VEL** and holding, together with their relatives, more than 2% (two percent) of its paid-up share capital, **VEL** qualifies as a related party of the Company. Accordingly, the proposed arrangement constitutes a related party transaction under applicable law and requires the prior approval of the Audit Committee.
