## TVS MOTOR COMPANY LAUNCHES NEPAL'S MOST POWERFUL TVS APACHE RTR 160 4V

- *Introduces segment-first projector headlamp, USD Suspension & 5" TFT Cluster*
- *Colours available in Matte Black, Racing Red & Marine Blue*

**Satungal, Kathmandu, June 27, 2026:** TVS Motor Company (TVSM), part of TVS VENU, and a reputed two and three-wheeler manufacturer globally, today launched the **all-new TVS Apache RTR 160 4V** in Nepal. With a strong commitment to democratizing racing, for the last two decades, TVS Apache has built world-class performance machines that nurtures a thriving and passionate global community of riders who share the brand's racing spirit. The latest introductions focus on enhancing rider safety, night-time visibility, and control, while retaining the motorcycle's proven performance and racing DNA.

Forged from 44 years of TVS Racing heritage and inspired by the track, TVS Apache embodies the essence of high-performance motorcycling, agility, innovation, and the quintessential rider's spirit. Every aspect, from design to technology, is shaped by racetrack experience. The TVS Apache RTR 160 4V delivers an unmatched combination of best-in-class 17.55PS power, control, and advanced technology. Built on race-derived engineering, the motorcycle offers class-leading performance and features three ride modes - Sport, Urban, and Rain, a segment-first innovation.

Product Specifications - TVS Apache RTR 160 4V	
<b>Engine Capacity</b>	159.7 cc
<b>Maximum Power</b>	Sport: 17.55 PS @ 9250 rpm Urban/ Rain: 15.64 PS @ 8650 rpm
<b>Gearbox</b>	5 Speed
<b>Fuel Tank Capacity</b>	12 L
<b>Safety</b>	Dual-Channel ABS
<b>Ride Modes</b>	Sport, Urban and Rain
<b>Front Suspension</b>	37mm Upside Down Forks

The launch event at Satungal, Kathmandu, brought together media, automobile critics, influencers and enthusiasts for an immersive TVS Apache experience. The event also featured exclusive riding sessions and dedicated track rides for media and influencers.

Speaking about the launch, **Mr. Peyman Kargar, President, International Business, TVS Motor Company**, said, *"The TVS Apache brand has consistently set benchmarks in performance motorcycling by bringing race-inspired innovation and advanced technology to riders. Nepal continues to be a strategically important market for TVSM, driven by a young, vibrant and growing community of riders. The launch of the all-new TVS Apache RTR 160 4V marks another significant step in establishing our presence in this segment. With these new upgrades, the motorcycle will provide enhanced visibility, improved stability, and intelligent connectivity, empowering riders to experience performance with greater confidence and control. Guided by the philosophy 'Lead the Pack, Light the Way,' we remain*

# PRESS RELEASE

---

*committed to expanding our footprint and delivering world-class mobility solutions to our customers across the world.”*

**Mr. Shahil Agrawal, Managing Director, Jagdamba Motors Pvt. Ltd., said,** *“The TVS Apache brand enjoys a strong and committed customer base in Nepal, particularly among young riders who value performance, style and technology. We are confident that the all-new TVS Apache RTR 160 4V will further strengthen this popularity, with its segment-leading features and race-inspired performance. The introduction of the projector headlamp, USD suspension and TFT cluster enhance the overall riding experience and reflects Jagdamba Motors’ commitment to bringing global innovations from TVS Motor Company to customers in Nepal. We are excited to see the enthusiasm this motorcycle generates among riders across the country.”*

**Mr. Vimal Sumbly, Head – Premium Business, TVS Motor Company, said,** *“For over 20 years, TVS Apache has defined performance motorcycling in India and beyond, earning the trust of over 6.5 million riders across 60+ countries. TVS Apache RTR 160 4V continues to set the benchmark in the 160cc performance segment, built on racing-bred engineering and segment-leading technology. This reinforces our commitment to offering motorcycle, equipped with features that truly matter to today’s performance-driven riders, and deeply rooted in TVS Apache’s racing DNA.”*

The TVS Apache RTR 160 4V TFT is now available across select dealerships in Nepal and will be made available across the channel network by July 2026. The motorcycle offers three striking colour options: Matte Black, Racing Red and Marine Blue and is at the ex-showroom price of **NPR 4,29,900**.

## **About TVS Motor Company**

TVS Motor Company (BSE:532343 and NSE: TVSMOTOR), part of TVS VENU, is a reputed two and three-wheeler manufacturer globally, championing progress through sustainable mobility with four state-of-the-art manufacturing facilities located in India and Indonesia. Rooted in our 100-year legacy of trust, value, and passion for customers, it takes pride in making internationally accepted products of the highest quality through innovative and sustainable processes. TVS Motor is the only two-wheeler company to have won the prestigious Deming Prize. Our products lead in their respective categories in the J.D. Power IQS and APEAL surveys. We have been ranked No. 1 Company in the J.D. Power Customer Service Satisfaction Survey for four consecutive years. Our group company Norton Motorcycles, based in the United Kingdom, is one of the most emotive motorcycle brands in the world. TVS Motor Company endeavours to deliver the most superior customer experience across 90 countries in which we operate.
