Management Perspective

Commenting on the Result, MR. KISHOR JADVANI Chairman & Managing Director, said:

“We are pleased to report a **strong operational and financial performance for FY26**, supported by continued expansion across key markets and improving customer engagement. During the year, we strengthened our retail presence to **400+ stores** with operations currently spread across **Gujarat, Maharashtra, Madhya Pradesh, Diu & Daman**. We are proud to share that FY26 marked a significant milestone for the Company as we **crossed ₹800+ crore revenue for the first time**, reflecting the strength of our business model and growing customer base.

Our focus on **Tier 2 and Tier 3 markets**, diversified product portfolio, and strong partnerships with leading brands helped drive healthy revenue growth and profitability improvement. We are also actively evaluating expansion opportunities in **Odisha, Chhattisgarh, and Rajasthan**, which we believe offer strong long-term growth potential driven by rising smartphone penetration and increasing consumer demand.

FY26 was also a landmark year for the Company with our successful listing on the BSE SME platform, further strengthening our foundation for scalable and sustainable growth. Going ahead, we remain focused on **expanding our store network, improving operational efficiencies, enhancing customer experience, and increasing contribution from high-value product categories** while maintaining financial discipline and sustainable profitability.”

About Umiya Mobile Limited

Established in 2012, Umiya Mobile Limited has emerged as a fast-growing multi-brand retail chain in smartphones, mobile accessories, and consumer electronics. Alongside its existing retail brands **UMIYA MOBILE, MYPHONE, & PHONE AND PHONE** the Company has also established a new group, **“LEELA MOBILE,”** as part of its strategic business expansion and operational development initiatives. The newly formed group will operate under the ownership and management of the Company, further strengthening its retail ecosystem and future growth roadmap.

The Company offers a wide range of products from globally recognized brands including Apple, Samsung, Realme, Xiaomi, Oppo, Vivo, Motorola, Google Pixel, and Infinix, along with consumer electronics such as smart TVs, air conditioners, refrigerators, and coolers from Sony, LG, Panasonic, Godrej, and other leading brands.
