## **MCFL LAUNCHES MAYANK FAT**

Mayank Cattle Food Limited is excited to announce the launch of its latest product, **MAYANK FAT**. As a leading provider of quality Cattle Feed, we are committed to introducing innovative solutions that meet the evolving needs of our consumers. **Mayank Fat** represents our dedication to delivering excellence in both quality and functionality.

### **About MAYANK FAT:**

**“MAYANK FAT”** is a specially formulated nutritional supplement designed to improve milk fat percentage in dairy animals. It helps address nutritional deficiencies that may lead to low milk fat, supports better feed utilization, and enhances overall animal health. Regular use contributes to improved milk quality and productivity, making it an ideal supplement for dairy farmers aiming for higher milk fat and better returns.

### **Key Benefits of MAYANK FAT:**

- Helps increase milk fat percentage naturally
- Improves digestion and feed efficiency
- Supports healthy body weight and overall vitality
- Reduces nutritional deficiencies affecting milk quality
- Easy to use with daily feed supplementation

## **MCFL LAUNCHES MAYANK CAL GOLD**

Mayank Cattle Food Limited is delighted to launch **MAYANK CAL GOLD**, its latest innovation in cattle nutrition. Developed with a focus on quality and performance, the product is intended to support the overall well-being and productivity of cattle.

The introduction of **MAYANK CAL GOLD** reflects the company's continued dedication to excellence, innovation, and delivering value to its customers.

### **About MAYANK CAL GOLD:**

**"MAYANK CAL GOLD"** is a scientifically formulated liquid supplement designed to support dairy animals during lactation and throughout their productive cycle. It helps maintain optimal calcium balance and overall mineral nutrition, especially during high milk production and post-calving stages. Developed to enhance animal health and performance, Cal Gold contributes to improved productivity, strength, and overall well-being of livestock.

### **Key Benefits of MAYANK CAL GOLD:**

- Helps increase milk production and prevents body weakness caused by high milk yield.
- Fulfills calcium and other mineral deficiencies in animals.
- Helps improve immunity against diseases caused by deficiencies of essential elements involved in the milk production process.
- Enhances animal strength and overall health.
- Helps reduce stress in animals.
- Promotes better reproductive health and performance

**Comments from Mr. Bharat Vachhani, Managing Director:**

I am proud to announce the launch of our new products **MAYANK FAT** and **MAYANK CAL GOLD** by Mayank Cattle Food Limited. This milestone reflects our continuous efforts to introduce innovative and result-oriented nutritional solutions for the livestock and dairy industry.

Developed with expert veterinary guidance, both products are formulated using carefully selected natural ingredients and essential nutritional elements aimed at improving animal health, milk productivity, and overall performance. **MAYANK FAT** is designed to support better fat enhancement and productivity, while **MAYANK CAL GOLD** focuses on providing balanced nutritional support for stronger health and improved efficiency.

The introduction of these products marks another important step in our growth journey. With the launch of **MAYANK FAT** and **MAYANK CAL GOLD**, the company aims to expand its product portfolio, strengthen its position in the market, and create greater value for dairy farmers and business partners alike. These offerings are expected to contribute significantly towards increasing customer confidence, improving market reach, and supporting sustainable long-term business growth.

At Mayank Cattle Food Limited, we remain committed to quality, innovation, and customer satisfaction. We extend our heartfelt gratitude to all our customers and associates for their continued trust, encouragement, and support.
