MRH Technologies Private Limited, Associate Company of OK Play India Limited, Supports Delhi Government's Initiative to Reduce Air Pollution

New Delhi, 18.09.2026: MRH Technologies Private Limited ("MRH"), an associate company of OK Play India Limited, is supporting the Delhi Government's initiative aimed at reducing air pollution in Delhi through advanced air filtration technology.

MRH Technologies Private Limited has the exclusive rights in India to manufacture, sell and service the range of air filtration systems of Mann+Hummel, global leaders in filtration technology.

Mann+Hummel, a German MNC with over 85 years of experience in filtration technology, has a global presence operating in over 80 countries with revenues of approximately EUR 4.2 billion.

The entire manufacturing is now "Made in India", making the products price competitive with faster accessibility.

MRH's initiatives in support of air-pollution reduction in Delhi have also been **featured on India Today TV and Aaj Tak**, highlighting the deployment and relevance of advanced air filtration technology in addressing air-quality challenges.
