CPHI Milan 2026: Opening doors to regulated markets and new global business opportunities

Surat, Gujarat – October 9, 2026 –Trident Lifeline Limited's participation at **CPHI Milan 2026**, held from **October 6 to 8 at Fiera Milano, Italy**, marked an important step in the company's efforts to expand its presence across targeted regulated pharmaceutical markets. The platform enabled the company to showcase its healthcare product portfolio and engage with global pharmaceutical stakeholders to explore opportunities in these geographies.

Building visibility in target markets:

- **Inroads into regulated markets:** Participation at CPHI Milan served as a direct gateway for Trident Lifeline to navigate and establish credibility within high-bar, target regulatory geographies, accelerating global compliance mapping and market entry
- **Unmatched global visibility:** By exhibiting at the **world's top-most trade fair category**, Trident Lifeline secured significant international exposure, putting its pharmaceutical and healthcare portfolio front and showcasing its capabilities to global industry buyers
- **Organic high-volume walk-ins and unanticipated leads:** The sheer scale of CPHI generated an organic customer walk-in base, connecting the company with valuable, high-intent prospective leads and surprising niche buyers from regions outside initial projections
- **Actionable market intelligence:** On-ground interactions provided Trident Lifeline's leadership with critical, ground-level insights into shifting global pharma trends and buyer requirements, empowering the company to proactively adapt its strategies and capitalize on emerging shifts

About Trident Lifeline Limited:

Trident Lifeline Limited ("Trident Lifeline" or the "Company") is a pharmaceutical and healthcare company with expertise in manufacturing finished dose pharmaceutical products, with a growing presence across global markets. The Company offers a diversified portfolio spanning pharmaceuticals, nutraceuticals, herbal products, injectables, personal care and medical devices, catering to a broad range of healthcare needs. Its operations are supported by a hybrid manufacturing model combining strategic manufacturing partnerships with integrated capabilities, enabling scalability, product quality and supply reliability. Trident Lifeline focuses on delivering quality-led healthcare solutions across domestic and international markets, supported by regulatory-compliant manufacturing capabilities, an expanding product portfolio and an established global distribution network.
