O R D E R

1. Interlocutory application seeking listing of review petition in open court is rejected.
2. This review petition has been filed seeking review of the signed reportable judgment dated 25.05.2026 passed in the captioned Civil Appeal by which the said appeal was allowed.
3. Further, the review petition is defective for the reasons mentioned in the office report dated 03.09.2026. The counsel for the review petitioner has not cured the defects, despite the same having been communicated by the Registry vide email dated 18.07.2026.
4. We have carefully gone through the signed reportable judgment dated 25.05.2026 and the record. In our opinion, no case for review is made out. Consequently, the Review Petition is dismissed being defective and on merits.

5. Pending application(s), if any, shall stand disposed of.
