Sub: Inclusion of Laurus Labs in Dow Jones Best-in-Class (DJ BIC) Indices

Dear Sir / Madam,

The Company is pleased to inform you that we have been featured for the first time in the **Dow Jones Best-in-Class (DJ BIC) Indices**. Laurus Labs has been included in DJBIC World Index. This inclusion highlights the Company's commitment to sustainable and ethical corporate governance practices.

The DJBIC World Index ranks top-performing companies globally with strong ESG performance. Laurus Labs was previously featured in the S&P Global Sustainability Yearbook 2026, a ranking of the world's most sustainable companies, which highlights companies demonstrating strong performance across environmental, social, and governance (ESG) parameters relative to global industry peers, wherein the Company has achieved S&P Global Corporate Sustainability Assessment (CSA) score of 81 out of 100 in the category of pharmaceutical companies (previous year 71 out of 100).

The Dow Jones Best-in-Class Indices identify and recognize companies that demonstrate exceptional performance across key Environmental, Social, and Governance (ESG) parameters, based on leading S&P Global CSA scores. Inclusion in DJ BIC indices reinforces Laurus Labs's credibility with global investors, and places the Company among a distinguished group of global leaders recognized for best-in-class sustainability performance.

This milestone reflects the dedication of our entire team at Laurus Labs to our core values of science-driven responsible and sustainable business practices.

This is for your information and records.

Thanking you,

Yours faithfully,
For **Laurus Labs Limited**
