ICRA assigns ICRA BBB (Stable) credit rating for Orient Green Power Company Limited's subsidiaries Beta Wind Farm and Delta Renewable Energy.

Chennai, September 09, 2026: Orient Green Power Company Limited (OGPCL), a leading renewable energy producer in India, announces that rating agency **ICRA Limited (ICRA)** has reviewed and assigned the credit ratings for its operating subsidiaries, Beta Wind Farm Private Limited and Delta Renewable Energy Private Limited.

Beta Wind Farm Private Limited (BETA)

Beta Wind Farm is a key subsidiary of OGPCL and operates **241.6 MW** of wind energy projects across Tamil Nadu, Andhra Pradesh, Gujarat, and Karnataka.

- **Rating Improvement:** ICRA has assigned ICRA BBB (Stable) rating for Beta's existing loan facility of Rs. 458.63 Crore — a one-notch improvement from the rating of CRISIL BBB- (Positive) assigned by CRISIL Ratings Limited.
- **Proposed Expansion:** ICRA also reviewed Beta's proposed 6.6 MW wind power expansion and assigned the same ICRA BBB (Stable) rating for the upcoming loan facility.
- The ratings consider the strengths from revenue visibility from the long-term Power Purchase Agreements (PPAs), established track record and improved receivable profile.

Delta Renewable Energy Private Limited (DELTA)

Delta Renewable Energy has commissioned **7 MW** of solar power capacity and is completing another **18 MW** solar capacity funded through rights issue proceeds.

- **Assigned Credit Rating:** ICRA reviewed Delta's existing Rs. 21 Crore loan and proposed Rs. 64 Crore loan, assigning an ICRA BBB (Stable) rating to both facilities.
- **Growth Plans:** The company plans to leverage this new solar capacity to support further business expansion.
- The ratings assigned considers the strengths from revenue visibility from the long-term Power Purchase Agreements (PPAs), credit profile of customers and comfortable debt coverage metrics.
