Ref: Valiant gets its breakthrough to supply equipment to Data Centers

Dear Sir / Madam,

With the above reference, please find enclosed herewith the Press Release and the required disclosure in compliance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We hope you find the same in order.

Sincerely,
For Valiant Communications Limited

Manish Kumar
Company Secretary

Valiant gets its breakthrough to supply equipment to Data Centers

August 05 , 2026

Valiant Communications [BSE: 526775] announces the receipt of Purchase Orders from system integrators for supply of Data Storage Servers and Time Synchronization Equipment. The gross value of the purchase order is INR 1,071 Lacs. The End-user for the awarded project is Power Grid Corporation of India Limited, a “*Maha-Ratna*” enterprise of the Government of India, reinforcing VCL’s position at the forefront of India’s sovereign data infrastructure and AI-ready storage ecosystem.

Commenting on the above development, Mr. Inder Mohan Sood, CEO said, “The strategic value of this order cannot be stressed enough and extends well beyond its commercial value, as it opens-up our entry into Data Centers, which forms the basis of all AI infrastructure and AI services. This is a major commercial breakthrough to supply Data Storage equipment to the rapidly growing business vertical of Data Centers. We have already successfully commissioned our key data center equipment in THDC Limited, a “*Mini-Ratna*” enterprise of the Government of India and a subsidiary of NTPC Limited.

In this critical project of national importance, it is our pleasure to note that Valiant is a Class 1 indigenous manufacturer, whose Data Storage Equipment have passed the “Category-1” criteria, including the technical evaluation process.

Valiant shall also supply its Time Synchronization Equipment, based on GPS plus NavIC Satellite System from its Synchronization portfolio. NavIC is an operational name of Indian Regional Navigation Satellite System [IRNSS]. NavIC adds a vital sovereign layer of redundancy and becomes increasingly vital for our country’s national security.

The Government, therefore, is righteously focused on its commercial deployment so that it becomes as part of all our critical infrastructure thereby reducing our dependence of foreign Satellite Systems. The Government’s prioritisation of NavIC’s commercial deployment is a clear signal that sovereign, interference-resilient infrastructure is now a matter of national security, and Valiant is proud to be at the forefront of this mandate.

We whole-heartedly applaud the policy and the exceptional work by the Government of India on implementation of ‘*Atmanirbhar Bharat*’, which is pathbreaking. This policy has helped our Company grow vastly. Our Company is in its best position since its inception to benefit from the policies of the Government of India – especially in the light of the Valiant’s continued innovation,

technology investments and development of state-of-the-art product portfolio and solutions, for the domestic and international markets.”

About Valiant Communications: Valiant Communications is a manufacturer and exporter of a wide range of IT/OT communications, transmission, protection, synchronization, NAS/SAN data storage equipment and cyber security products. It is an approved manufacturer to some of the major power utilities including Power Grid Corporation (India) and various National and State Electricity Boards, with track record of successful installations in more than 6,000+ power sub-stations worldwide including at 765kV, 440kV, 400kV, 384kV, 220kV, 132kV, 110kV, 66kV and 33kV power sub-stations.

Safe Harbor

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, our ability to successfully implement our strategy and our growth and expansion plans, technological changes, our exposure to market risks, general economic and political conditions in India which have an impact on our business activities or investments, changes in the laws and regulations that apply to the industry in which the Company operates. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company.

.....

Disclosure of information pursuant to Regulation 30 of the SEBI Listing Regulations read with Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated 11-11-2024 (as amended)

S. No.	Particulars	Description
1.	Name of the entity awarding the order(s) / contract(s)	Large System Integrator
2.	Significant terms and conditions of order(s) / contract(s) awarded in brief	Supply of Data Storage Servers and Time Synchronization Equipment with services
3.	Whether order(s) / contract(s) have been awarded by domestic / international entity	Domestic
4.	Nature of order(s) / contract(s)	Part of PGCIL VoIP with supply of Data Storage Servers and Time Synchronization Equipment with services
5.	Time period by which the order(s) / contract(s) is to be executed	By 31-03-2027
6.	Broad consideration or size of the order(s) / contract(s)*	INR 1,071 Lacs (inclusive of taxes)
7.	Whether the promoter/ promoter group / group companies have any interest in the entity that awarded the order(s) / contract(s)? If yes, nature of interest and details thereof	No
8.	Whether the order(s) / contract(s) would fall within related party transactions? If yes, whether the same is done at "arm's length"	No
9.	Any other information	Another separate Purchase Order for AMC to be followed

*** In the light of the SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/25 dated February 25, 2025 read with Industry Standards on Regulation 30 of the SEBI Listing Regulations, prescribed by the Industry Standards Forum, the broad consideration or size of the order(s) / contract(s) is reported on gross basis i.e. inclusive of applicable indirect taxes.**
