## **Satrix Information Security Limited Announces its Strategic Work Orders Worth of Rs. 65.02 Millions in April & May, 2026**

**Satrix Information Security Limited (SATTRIX) BSE: 544189, ISIN: INEQUV01010**, a leading provider of customer-centric cybersecurity solutions, is pleased to announce the receipt of new work orders totaling Rs. 65.02 Millions (Excl. taxes) during the month of April and May 2026 from its various clients. These contracts underscore the company's growing footprint in providing mission-critical cybersecurity products and ongoing technical support to high-profile clients across the power and entertainment industries.

### **Key Highlights of the Recent Wins:**

**Power Sector Expansion:** The Company has secured two major work orders from leading power sector enterprise. These projects involve the Supply of Cyber Security Product, Managed Support Services & Technical Support.

**Media & Entertainment Sectors:** Enhancing its presence in the media & entertainment sector, the company has successfully completed and billed specialized cybersecurity consulting and professional services to its Customers.

**Service Diversity:** The April & May month portfolio showcases a mix of high-impact, short-term professional engagements and sustained annual support contracts.

*"By delivering cutting-edge cybersecurity products and robust technical support, we continue to strengthen our recurring revenue streams and solidify our position as a preferred partner for complex digital implementations," said Mr. Sachhin Gajjaer, Managing Director, Satrix Information Security Limited.*

## **About Satrix Information Security Limited:**

Satrix Information Security Limited, founded in 2013, is a globally trusted cybersecurity solutions provider offering end-to-end, customer-centric services across India, the USA, the Middle East, and Malaysia. With over a decade of experience, Satrix delivers agile, cloud-based and on-premise solutions that help enterprises protect digital assets, ensure compliance, and maintain business continuity. Rooted in the mission “Removing the Risk from the Universe,” the name Satrix—derived from Satt (Universe), Ri (Risk), and X (Extenuation)—reflects our commitment to eliminating cybersecurity threats. Combining cutting-edge technology with deep expertise, we stand as a future ready partner in today’s evolving digital landscape. For more information, please visit: <https://www.satrix.com/>.
