This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellant e-filed the Memo of Appeal on 12.05.2026. The Office after scrutiny of the Memo of Appeal on 18.05.2026, intimated the defects to the Appellant on the same day. The Appellant re-filed the Appeal on 07.07.2026. It is stated in the IA that after filling voluminous appeal, the registry pointed out defects viz. Dim documents, Bookmarking etc. After clearing the defects the same was refiled again on 07.07.2026. Therefore, given the quantum of defects to be rectified along with practical difficulty in managing the logistic of sending and receiving the documents the defects could not be rectified in period of 7 days and the Delay of 48 days in removing the defects and refiling the captioned appeal is not deliberate and is outside the control of the advocate and same may be condoned in the interest of justice.

Heard Ld. Counsel for Applicant and perused the averments made in the IA as well as Office report.

The Appellant was required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellant re-filed the Memo of Appeal with a delay of 43 days, hence, the case may be placed before the Hon'ble Bench with defect for appropriate orders.

List the case before the Hon'ble Bench under the heading 'for admission with defect (fresh case)'.
