Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Successful Execution and Commissioning of 10 MW / 20 MWh BESS Project

Dear Sir/Madam,

The Company is pleased to inform that GEON, its New Energy business division, has successfully executed and commissioned a 10 MW / 20 MWh Battery Energy Storage System (BESS) Project at Jaisalmer, Rajasthan, on EPC basis.

The project scope encompassed detailed engineering and design, procurement and supply of equipment, installation, testing and commissioning activities, in accordance with the Rajasthan Integrated Clean Energy Policy, 2024.

The Battery Energy Storage System has been designed to support efficient energy management, grid stability and effective integration of renewable energy, thereby contributing towards a more reliable and sustainable energy infrastructure.

The successful commissioning of this project marks a significant milestone for the Company and reinforces GEON's capabilities in delivering utility-scale Battery Energy Storage System (BESS) projects on a turnkey EPC basis. The project further strengthens the Company's position in the energy storage and renewable energy sector and underscores its commitment to supporting India's clean energy transition and grid modernization initiatives.

You are requested to take the above information on record.

Thanking you,

Yours faithfully,

For Kabra Extrusiontechnik Limited
