13 NOVEMBER 2026

PRESS RELEASE

SC Agrotech approves major shareholder value creation initiatives

Board approves a 10-for-1 stock split and a 4-for-5 bonus issue alongside significant reported earnings growth and the ongoing expansion of its AgriBridge digital agriculture platform.

ILLUSTRATIVE SHARE-COUNT OUTCOME

1,000	›	10,000	›	18,000
Existing shares		After 10:1 split		After 4:5 bonus

The illustration assumes that the subdivision is implemented before the bonus and that the shareholder is eligible under the respective record dates. It does not imply an increase in investment value.

10:1	4:5	~48x	802%
STOCK SPLIT	BONUS ISSUE	Q2 PAT GROWTH	Q2 REVENUE GROWTH

Three developments drawing investor attention

01 Shareholder actions

The proposed subdivision and bonus are intended to improve share accessibility and broaden participation, subject to applicable approvals.

02 Strong Q2 FY27

Standalone operating revenue reached ₹45.26 crore and profit after tax reached ₹10.21 crore in the September quarter.

03 AgriBridge goes live

The digital agriculture platform is publicly accessible, supporting farmer-supplier discovery, buyer enquiries and operational workflows.

SC Agrotech Limited is pleased to share this corporate and operational update. The Company remains focused on disciplined execution, accessibility for shareholders and development of additional technology-led agricultural services.

PRESS RELEASE

SHAREHOLDER CORPORATE ACTIONS

Shareholder participation through approved corporate actions

The Board-approved actions are intended to broaden investor participation. Implementation is subject to shareholders' consent, applicable regulations and announcement of the respective record dates.

STOCK SUBDIVISION — 10:1

One fully paid-up equity share with face value of ₹10 would be subdivided into ten fully paid-up equity shares of face value ₹1 each.

BONUS EQUITY SHARES — 4:5

Four bonus equity shares would be issued for every five eligible equity shares held, subject to approvals and qualifying entitlement.

HOW 1,000 EXISTING SHARES COULD CHANGE

1,000	›	10,000	›	18,000
Existing		After split		After bonus

Indicative implementation pathway

13 NOV	›	11 DEC	›	NEXT	›	THEN
Board decision		EGM / approvals		Record date		Implementation

Important: A subdivision or bonus issue changes the number of shares held and adjusts the theoretical market price; it does not itself create a corresponding increase in shareholders' investment value. Actual market liquidity is not guaranteed.
