Sub: Disclosure under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Receipt of Notification of Award from Andhra Pradesh State Skill Development Corporation for a large-scale SaaS-based GenAI-enabled Multilingual Conversational AI platform.

Scrip Code: 517286.

Dear Sir / Madam,

Pursuant to **Regulation 30** read with Para B of Part A of Schedule III of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“SEBI LODR Regulations”), we wish to inform you that **RNIT AI Solutions Limited (“RNIT” or the “Company”) has received a Notification of Award (“NOA”) from Andhra Pradesh State Skill Development Corporation (“APSSDC”) for the Design, Development, Deployment, Integration and Maintenance of an AI-based Multilingual Interview Platform with a Conversational Job Preparation and Skill Assessment Agent.**

The solution will be delivered through **NIA, RNIT’s Conversational AI platform, at a scale of up to 20 lakh users/interview sessions.** For **pursuing students**, the platform may provide up to **two interview attempts per user**, with a minimum gap of three months between the first and second interview attempts. For all other users one interview attempt per user shall be provided.

The engagement will operate under a **Software as a Service (SaaS) model, with charges billed on a per-minute per user usage basis** in accordance with the RFP and definitive agreement.

The award marks **RNIT’s entry into large-scale deployment of Generative AI solutions in the government sector** through NIA and demonstrates the Company’s ability to deliver **Conversational AI at population scale** across multilingual voice-based interactions, adaptive interviews, automated feedback and analytics.

The Company believes this to be a **First-of-its-kind Government-led Deployment in India of a Multilingual GenAI-enabled conversational interview and job-preparation platform at this scale**. The project is expected to create a reusable reference architecture for responsible, high-volume Conversational AI deployments across public-sector **Citizen-Centric Services, Higher Education, Skill and Employment** programmes.

The platform will support **English, Hindi and Telugu** from Go-live, with provision for additional regional languages, and will integrate with the **Naipunyam portal**. Its capabilities include **job-specific and experience-adaptive interviews, multilingual voice interaction with dynamic engagement, structured performance feedback and analytics**.

The platform also incorporates an **AI-based skill-assessment framework aligned with National Occupational Standards (NOS) and National Skills Qualifications Framework (NSQF) job roles**, enabling scenario-based adaptive evaluation and competency-level mapping.

The disclosure pursuant to Regulation 30 read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 is enclosed as **Annexure – A**.

This is for your information and record.

Thanking you,

Yours faithfully
