Subject: Intimation regarding NREDCAP – Empanelment for Supply, Installation & Commissioning of 1 KWp to 500 KWp Grid Connected Solar Rooftop PV Power Plants at various locations in Andhra Pradesh – Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Respected Sir/ Madam,

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that the Company has been empaneled by New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP), a State Government Company, as an approved supplier for Supply, Installation & Commissioning of Grid Connected Solar Rooftop PV Power Plants ranging from 1 KWp to 500 KWp at various locations in Andhra Pradesh under the Solar Rooftop Net Metering Policy.

Strategic Significance

The empanelment represents an important opportunity for the Company to further strengthen and expand its presence in the renewable energy and solar infrastructure segment, particularly in the growing rooftop solar market in Andhra Pradesh.

The Company believes that this empanelment can provide an additional platform to identify and pursue solar project opportunities, diversify its project portfolio and leverage its existing capabilities in solar infrastructure execution.

It may be noted that the empanelment does not, by itself, constitute an award of any specific project or order, and the actual business opportunity will depend upon project requirements, proposals, subsequent work orders/contracts and other applicable conditions.

The Company will continue to evaluate and pursue suitable opportunities arising under the empanelment.

You are requested to take the above information on your record.

Thanking You!

Yours faithfully,
For DESCO INFRATECH LIMITED

CS Tripti Gaggar
Company Secretary & Compliance Officer
